(57) **CLAIM**

The ornamental design for bilateral display regions for a self defense device, as shown.

DESCRIPTION

FIG. 1 is a left side perspective view of a left side display region for a self defense device, showing the self defense device in dashed lines.
FIG. 2 is a right side perspective view of a right side display region for the self defense device.
FIG. 3 is a left side elevation of the left side display region.
FIG. 4 is a right side elevation of the right side display region.
FIG. 5 is a second embodiment of the left side display region of FIGS. 1-4;
FIG. 6 is a right side view of the display region thereof;
FIG. 7 is a third embodiment of the left side display region of FIGS. 1-4; and,
FIG. 8 is a right side view of the display region thereof.
