(57) **CLAIM**

The ornamental design for the ear magnetic clip for ear acupressure and auricular therapy application, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of the ear magnetic clip for ear acupressure and auricular therapy application;  
 FIG. 2 is a rear view thereof;  
 FIG. 3 is a left-side view thereof;  
 FIG. 4 is a right-side view thereof;  
 FIG. 5 is a top plan view thereof;  
 FIG. 6 is a bottom plan view thereof;  
 FIG. 7 is an isometric perspective view thereof;  
 FIG. 8 is a perspective view thereof. In this view the ear magnetic clip for ear acupressure and auricular therapy application is in a bent configuration.  
 FIG. 9 is a perspective view thereof. In this view the ear magnetic clip for ear acupressure and auricular therapy application is in a bent configuration; and,  
 FIG. 10 is a perspective view indicating the preferred method of use of the FIG. 8 is a perspective view thereof. In this view the ear magnetic clip for ear acupressure and auricular therapy application is in a bent configuration.  
 The broken line showing an ear is included for the purpose of illustrating environmental structure and forms no part of the claimed design.
