(57) **CLAIM**

The ornamental design for a coil lanyard, as shown and described.

DESCRIPTION

FIG. 1 is a front, perspective view of a coil lanyard showing our new design;
FIG. 2 is a partial rear perspective view of the first end portion thereof; and,
FIG. 3 is a partial rear perspective view of the second end portion thereof.
The broken lines depict environment that form no part of the claimed design. The lanyard is shown broken away to indicate that no particular length is claimed. Any portion shown between the breaks forms no part of the claimed design.
