(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE shows a display screen or portion thereof with graphical user interface showing our new design. The peripheral dashed broken lines represent a display screen or portion thereof, which forms no part of the claimed design. The dashed broken lines inside of the peripheral dashed broken lines illustrate elements of the graphical user interface which form no part of the claimed design.
