(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical interface for display of alarm indicators, as shown and described.

DESCRIPTION

FIG. 1 is a first image in a sequence showing a front view of a display screen or portion thereof with graphical interface displaying visual indicators according to my design; FIG. 2 is a second image thereof; and, FIG. 3 is a third image thereof.

The outermost broken lines in the figures illustrate a display screen or portion thereof. The remaining broken lines illustrate portions of the graphical user interface. None of the broken lines form part of the claimed design.

The appearance of the images transitions sequentially between the images shown in FIGS. 1-3. The process or period in which the images transitions to another forms no part of the claimed design.
