(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The outermost broken line showing the display screen or portion thereof is for environmental purposes only and forms no part of the claimed design. The remainder of the broken lines illustrate portions of the graphical user interface that form no part of the claimed design.
