(57) **CLAIM**

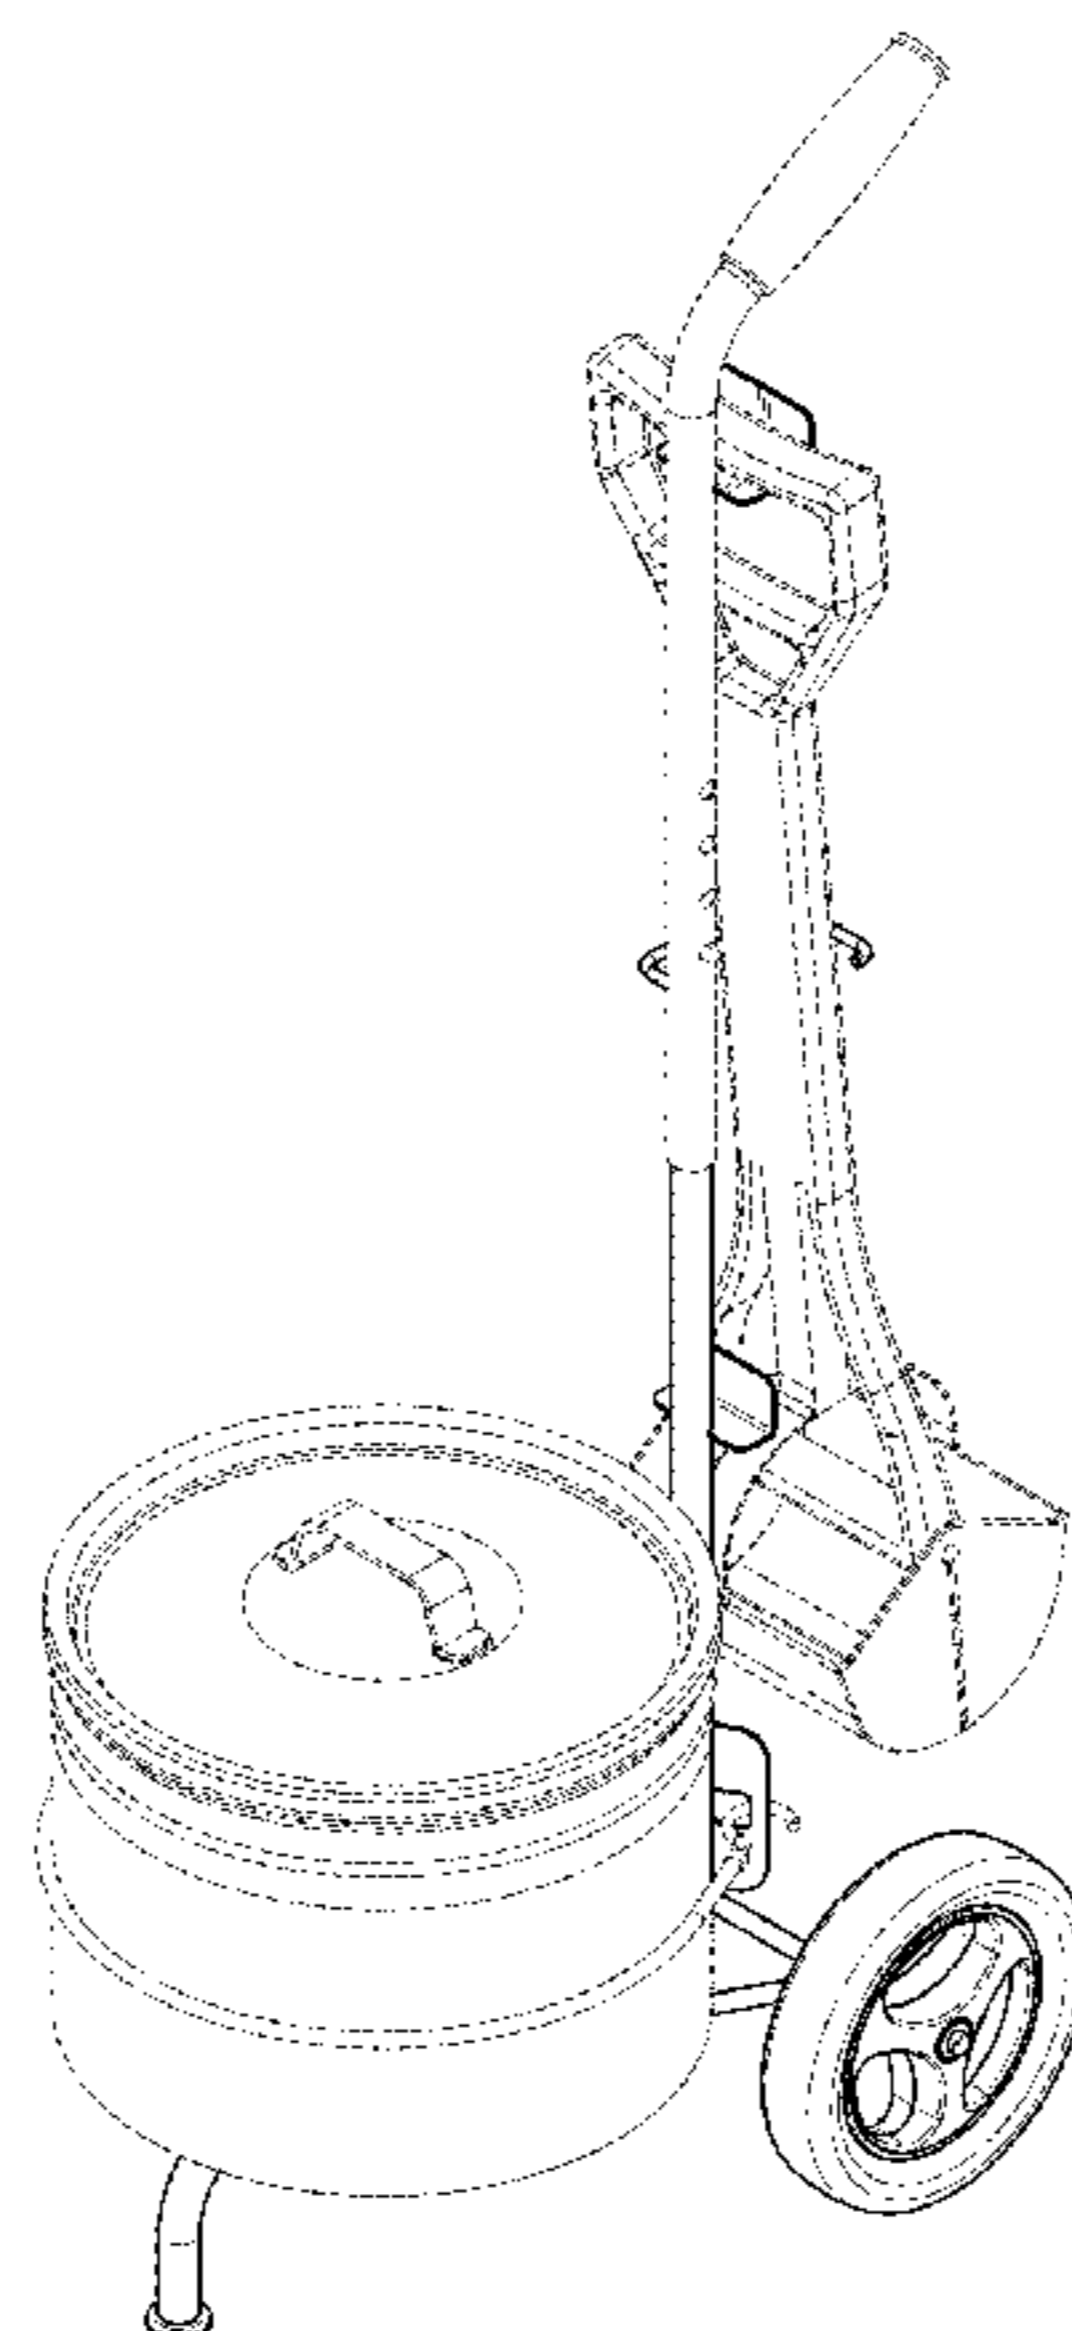

The ornamental design for a mobile animal waste collection station, as shown and described.

**DESCRIPTION**

FIG. 1 is a front upper perspective view of a mobile animal waste collection station in accordance with my new design; FIG. 2 is an exemplary perspective view of the mobile animal waste collection station, shown in use; FIG. 3 is a back lower perspective view thereof; FIG. 4 is a front view thereof; FIG. 5 is a back view thereof; FIG. 6 is a first side view thereof; FIG. 7 is an opposite side view thereof; FIG. 8 is a top view thereof; and, FIG. 9 is a bottom view thereof.

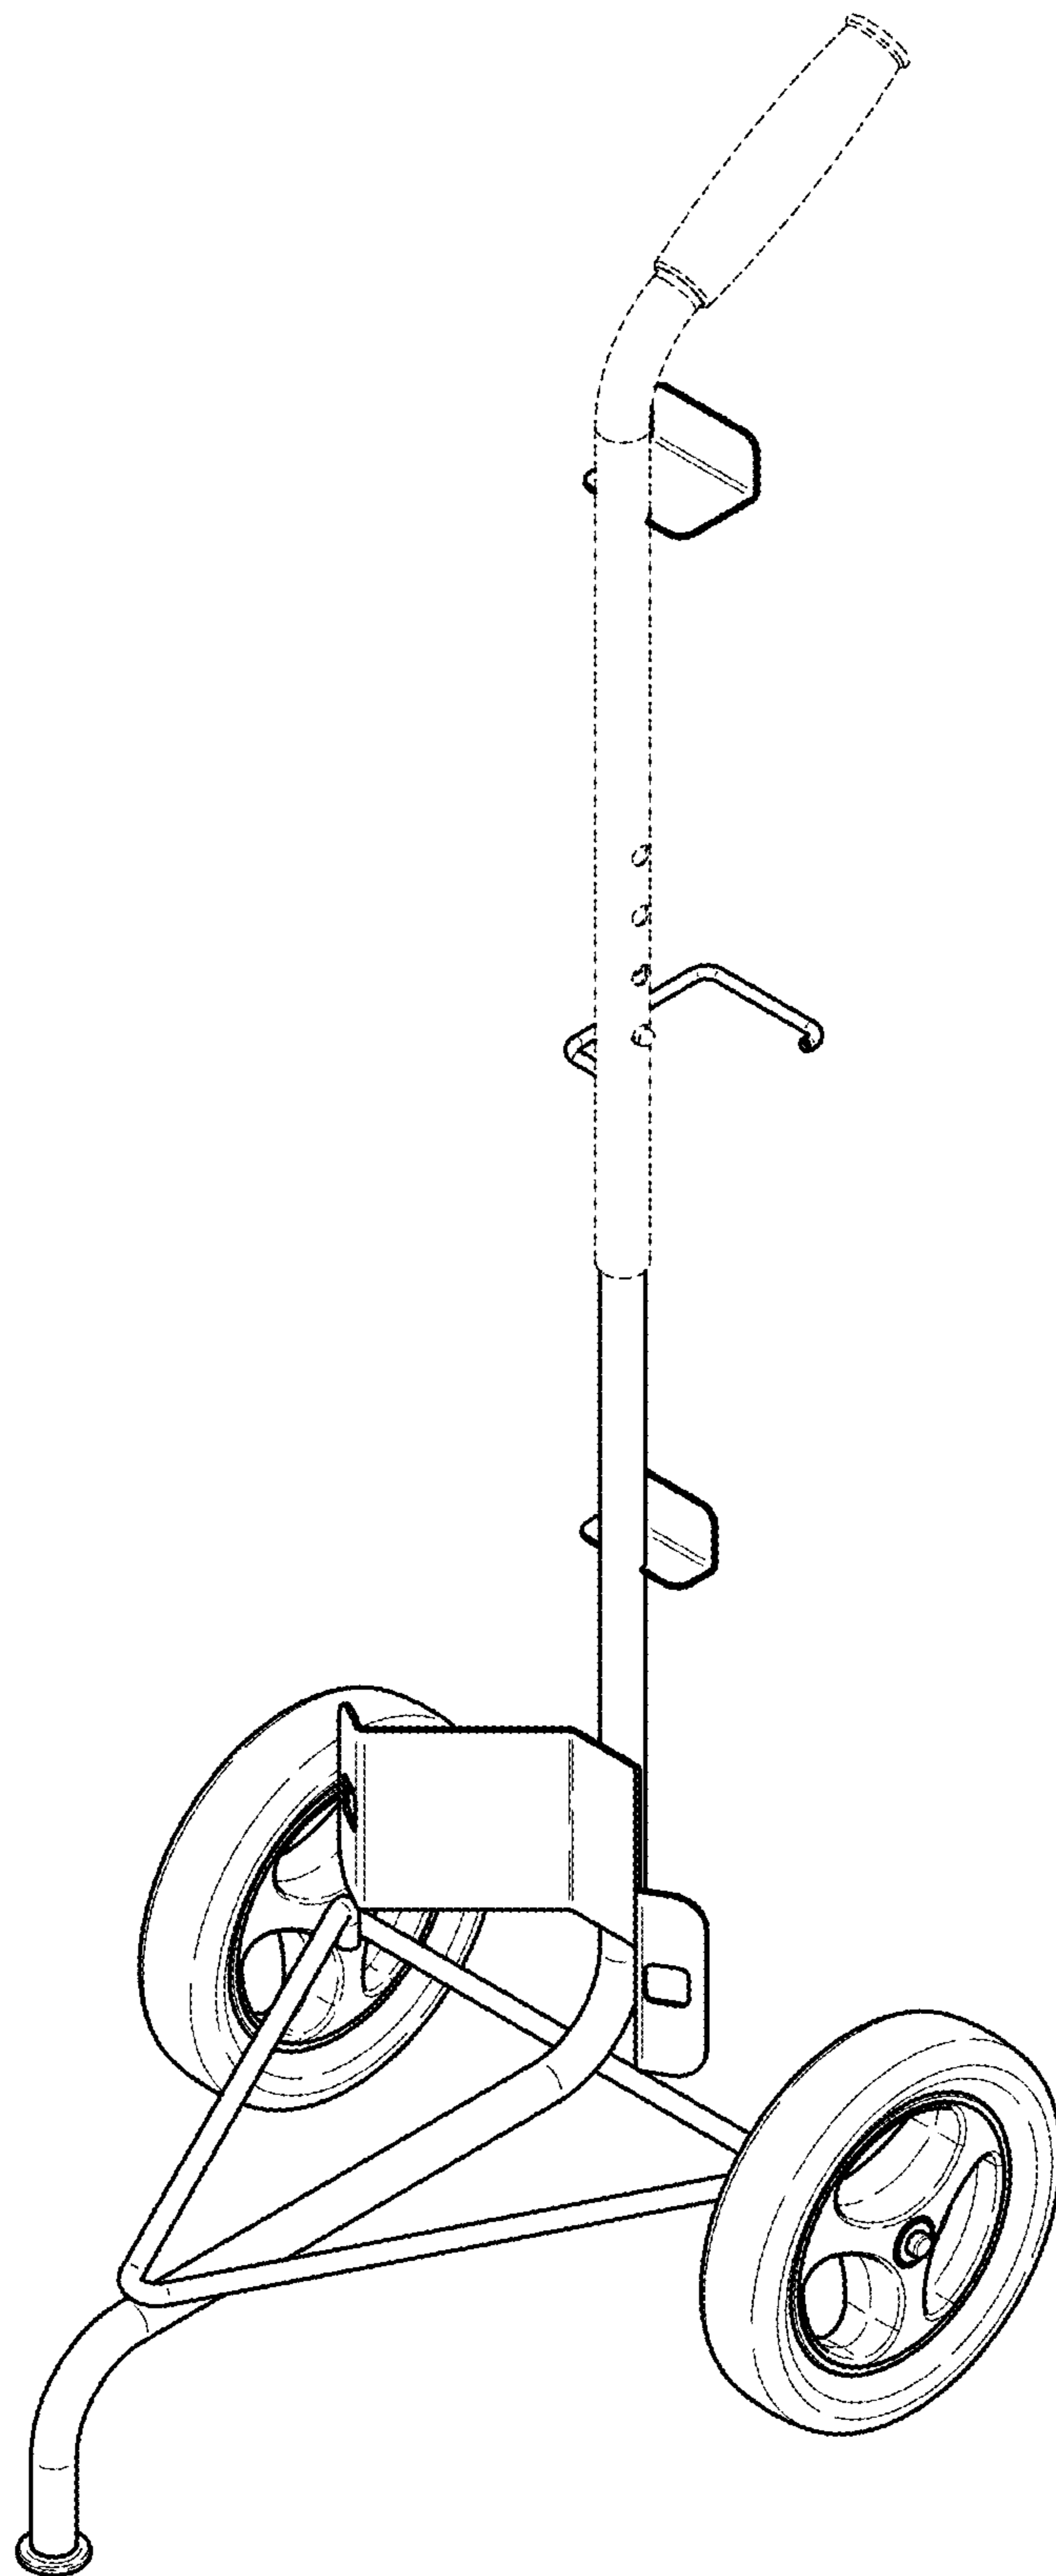

The broken lines and unshaded portions contained within broken lines along the handle of the station depict exemplary elements of the station that are shown for illustrative purposes only and that form no part of the claimed design. The illustrative broken line showing of a container and waste scoop tool in FIG. 2 depicts exemplary components which might be used in conjunction with the mobile animal waste collection station and forms no part of the claimed design.

**1 Claim, 7 Drawing Sheets**
