(57) CLAIM

The ornamental design for a translucent telescopic straw, as
shown and described.

DESCRIPTION

FIG. 1 is a front view of a my new design for a translucent
telescopic straw, illustrated in a collapsed state and in use
with flavor beads and filters;
FIG. 2 is front view showing the translucent telescopic straw
in an extended state of use, without the flavor beads and
filters;
FIG. 3 is a left side view thereof;
FIG. 4 front view showing the translucent telescopic straw
in an extended state of use, illustrated in use with the flavor
beads and filters; and,
FIG. 5 is a left side of the translucent telescopic straw,
illustrated in a collapsed state and in use with flavor beads
and filters.
The broken lines in the drawings represent flavor beads and
filters that form no part of the claim.

1 Claim, 5 Drawing Sheets
