(57) **CLAIM**

The ornamental design for the display screen with graphical user interface for a portable terminal, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front perspective view of a display screen with graphical user interface for a portable terminal; and, FIG. 2 is a front view thereof.

The broken line showing of a portable terminal is for the purpose of illustrating environmental structure which forms no part of the claimed design.

1 Claim, 2 Drawing Sheets
(2 of 2 Drawing Sheet(s) Filed in Color)
