(57) **CLAIM**

The ornamental design of a display screen or portion thereof of a captioning communication device with graphical user interface, substantially as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof of a captioning communication device with graphical user interface.

The broken line showing is included for the purpose of illustrating portions of the article and graphical user interface and forms no part of the claimed design.

1 Claim, 1 Drawing Sheet
