USPC ..... D14/485–495  
CPC . G06F 3/0482; G06F 3/04842; G06F 3/04817  
See application file for complete search history.

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawings will be provided by the Office upon request and payment of the necessary fee. The FIGURE shows a front view of a display screen or portion thereof with icon for presentation of analyte data that incorporates the new, original, and ornamental design. The broken lines in the drawings illustrate a display screen or portion thereof and form no part of the claimed design.
