(57) **CLAIM**

The ornamental design for a container for powdered or granulated products, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a container for powdered or granulated products according to my new design;
 FIG. 2 is a front elevational view thereof;
 FIG. 3 is a side elevational view, the other side being a mirror image thereof;
 FIG. 4 is a rear elevational view thereof; and,
 FIG. 5 is a top plan view thereof.
 The broken lines in the drawings showing the container for powdered or granulated products illustrate the portions that form no part of the claimed design.
