(57) **CLAIM**

We claim the ornamental design for the overlay, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of an overlay, according to a first embodiment;

FIG. 2 is a bottom perspective view of the overlay, according to the first embodiment;

FIG. 3 is a top plan view of the overlay, according to the first embodiment;

FIG. 4 is a bottom plan view of the overlay, according to the first embodiment;

FIG. 5 is a side elevational view of the overlay, according to the first embodiment, where the opposite side elevational view is a mirror image thereof;

FIG. 6 is an enlarged side elevational view of a portion of the overlay, as identified in FIG. 5, according to the first embodiment;

FIG. 7 is a top perspective view of an overlay, according to a second embodiment;

FIG. 8 is a bottom perspective view of the overlay, according to the second embodiment;

FIG. 9 is a top plan view of the overlay, according to the second embodiment;

FIG. 10 is a bottom plan view of the overlay, according to the second embodiment;

FIG. 11 is a side elevational view of the overlay, according to the second embodiment, where the opposite side elevational view is a mirror image thereof;

FIG. 12 is an enlarged side elevational view of a portion of the overlay, as identified in FIG. 11, according to the second embodiment;

FIG. 13 is a top perspective view of an overlay, according to a third embodiment;

FIG. 14 is a bottom perspective view of the overlay, according to the third embodiment;

FIG. 15 is a top plan view of the overlay, according to the third embodiment;

FIG. 16 is a bottom plan view of the overlay, according to the third embodiment;

FIG. 17 is a side elevational view of the overlay, according to the third embodiment, where the opposite side elevational view is a mirror image thereof; and,

FIG. 18 is an enlarged side elevational view of a portion of the overlay, as identified in FIG. 17, according to the third embodiment.

The evenly dashed broken lines of the various embodiments of the overlay are directed to environment and are for illustrative purposes only; the evenly dashed broken lines form no part of the claimed design.
