(57) **CLAIM**

The ornamental design for a toilet housing, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a toilet housing with a seat showing my new design with the seat in its down position;

FIG. 2 is a rear elevational view thereof with the seat in its down position;

FIG. 3 is a left side elevational view thereof with the seat in its down position;

FIG. 4 is a right side elevational view thereof showing the seat in its up position;

FIG. 5 is a top plan view thereof with the seat in its down position;

FIG. 6 is a bottom plan view thereof with the seat in its down position; and,

FIG. 7 is a top perspective view thereof with the seat in its down position.

In the drawings, the broken lines depict environmental subject matter only and form no part of the claimed design.
