(57) **CLAIM**

I claim the ornamental design for a critical casualty emergency first aid kit, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of the critical casualty emergency first aid kit, shown with all compartments open, wherein the broken lines represent stitching and form part of the claimed design;

FIG. 2 is a top plan view of the critical casualty emergency first aid kit, shown with all compartments closed, wherein the broken lines represent stitching and form part of the claimed design;

FIG. 3 is a front view of the critical casualty emergency first aid kit, shown with all compartments closed, wherein the broken lines represent stitching and form part of the claimed design;

FIG. 4 is a rear view of the front view of the critical casualty emergency first aid kit, wherein the broken lines represent stitching and form part of the claimed design;

FIG. 5 is a bottom plan view of the front view of the critical casualty emergency first aid kit, wherein the broken lines represent stitching and form part of the claimed design;

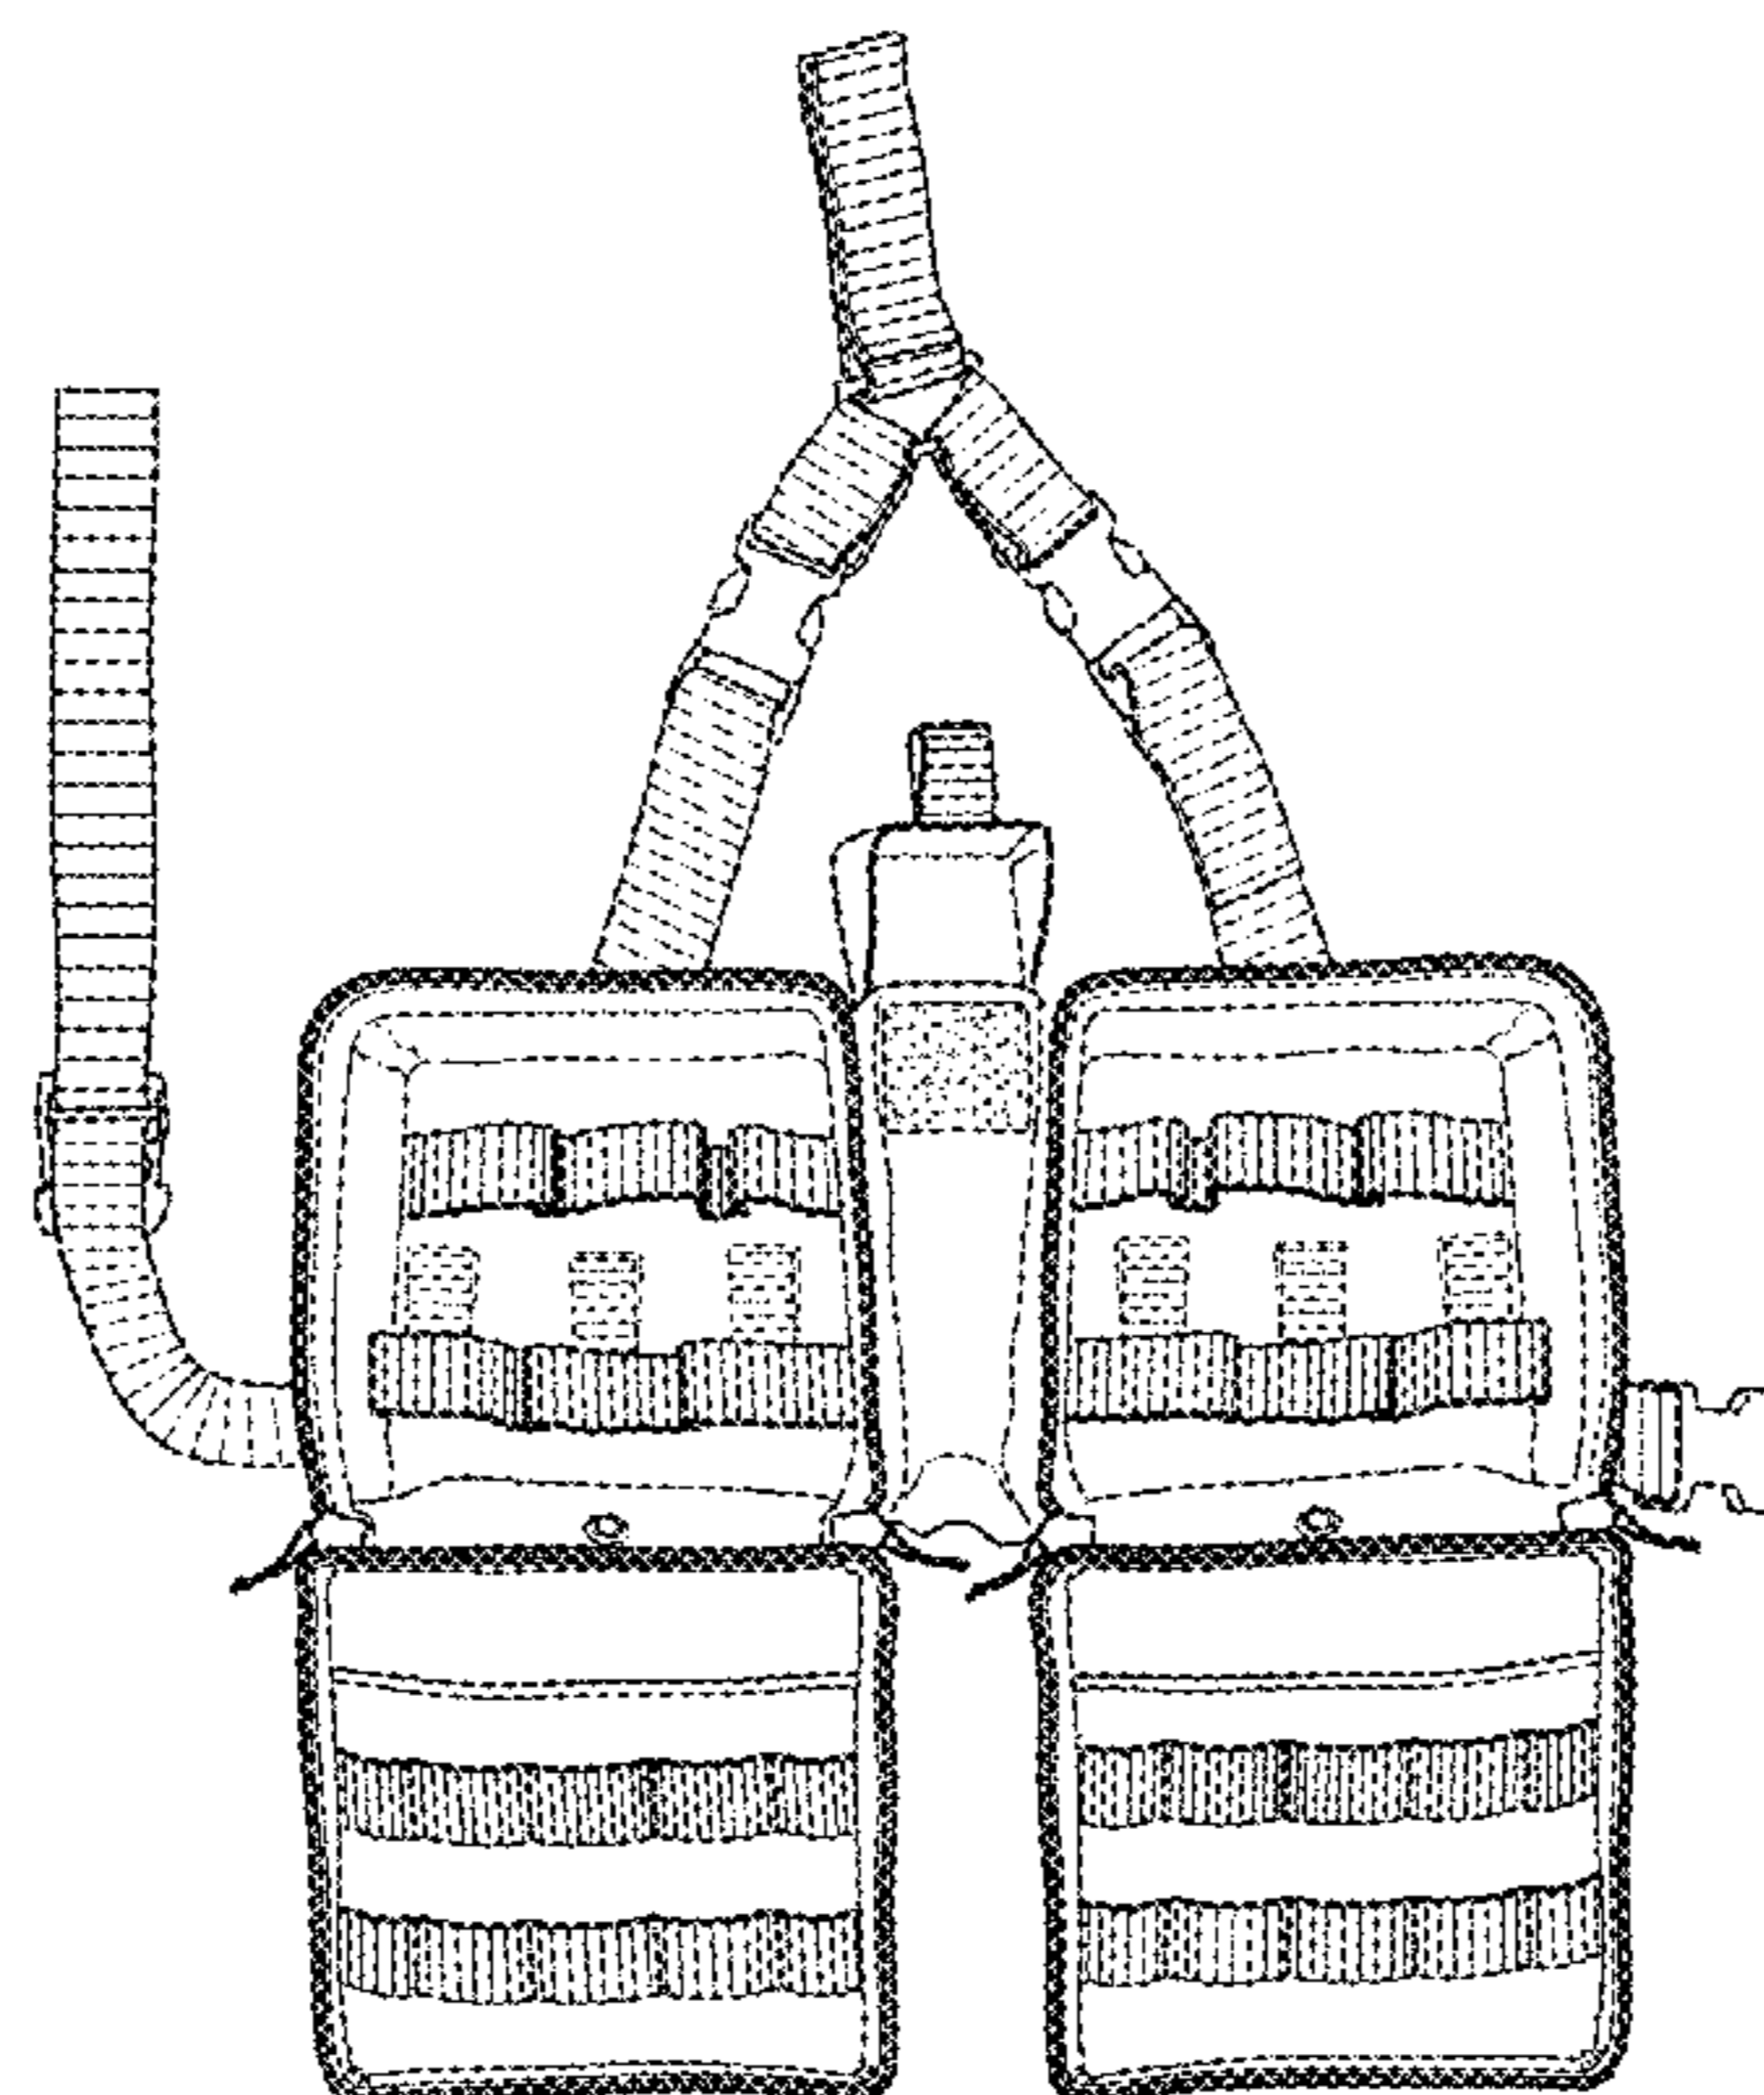

FIG. 6 is a left side elevation view of the critical casualty emergency first aid kit; and,

FIG. 7 is a right side elevation view of the critical casualty emergency first aid kit.

The broken lines represent stitching and form part of the claimed design.

The dot-dash lines represent portions of the critical casualty emergency first aid kit that form no part of the claimed design.
