(57) **CLAIM**

The ornamental design for a display panel of an electronic golf device with a changeable computer generated icon, as shown and described.

DESCRIPTION

FIG. 1 shows a first top view of the changeable computer generated icon on a display panel of an electronic golf device.

FIG. 2 shows a second top view of the changeable computer generated icon on the display panel of the device.

FIG. 3 shows a third top view of the computer generated icon on the display panel of the device; and,

FIG. 4 is a perspective view of the image of FIG. 1, shown on an electronic golf device. The broken lines showing the electronic golf device in FIG. 4 form no part of the claimed design.

The appearance of the changeable computer generated icon of the claimed design sequentially transitions between the images shown in FIGS. 1 to 3. The process or period in which one image transitions to another image does not form part of the claimed design.
