(57) **CLAIM**

What is claimed is the ornamental design for the card applique, as shown and described.

DESCRIPTION

FIG. 1 is a top view of a card applique according to an embodiment.

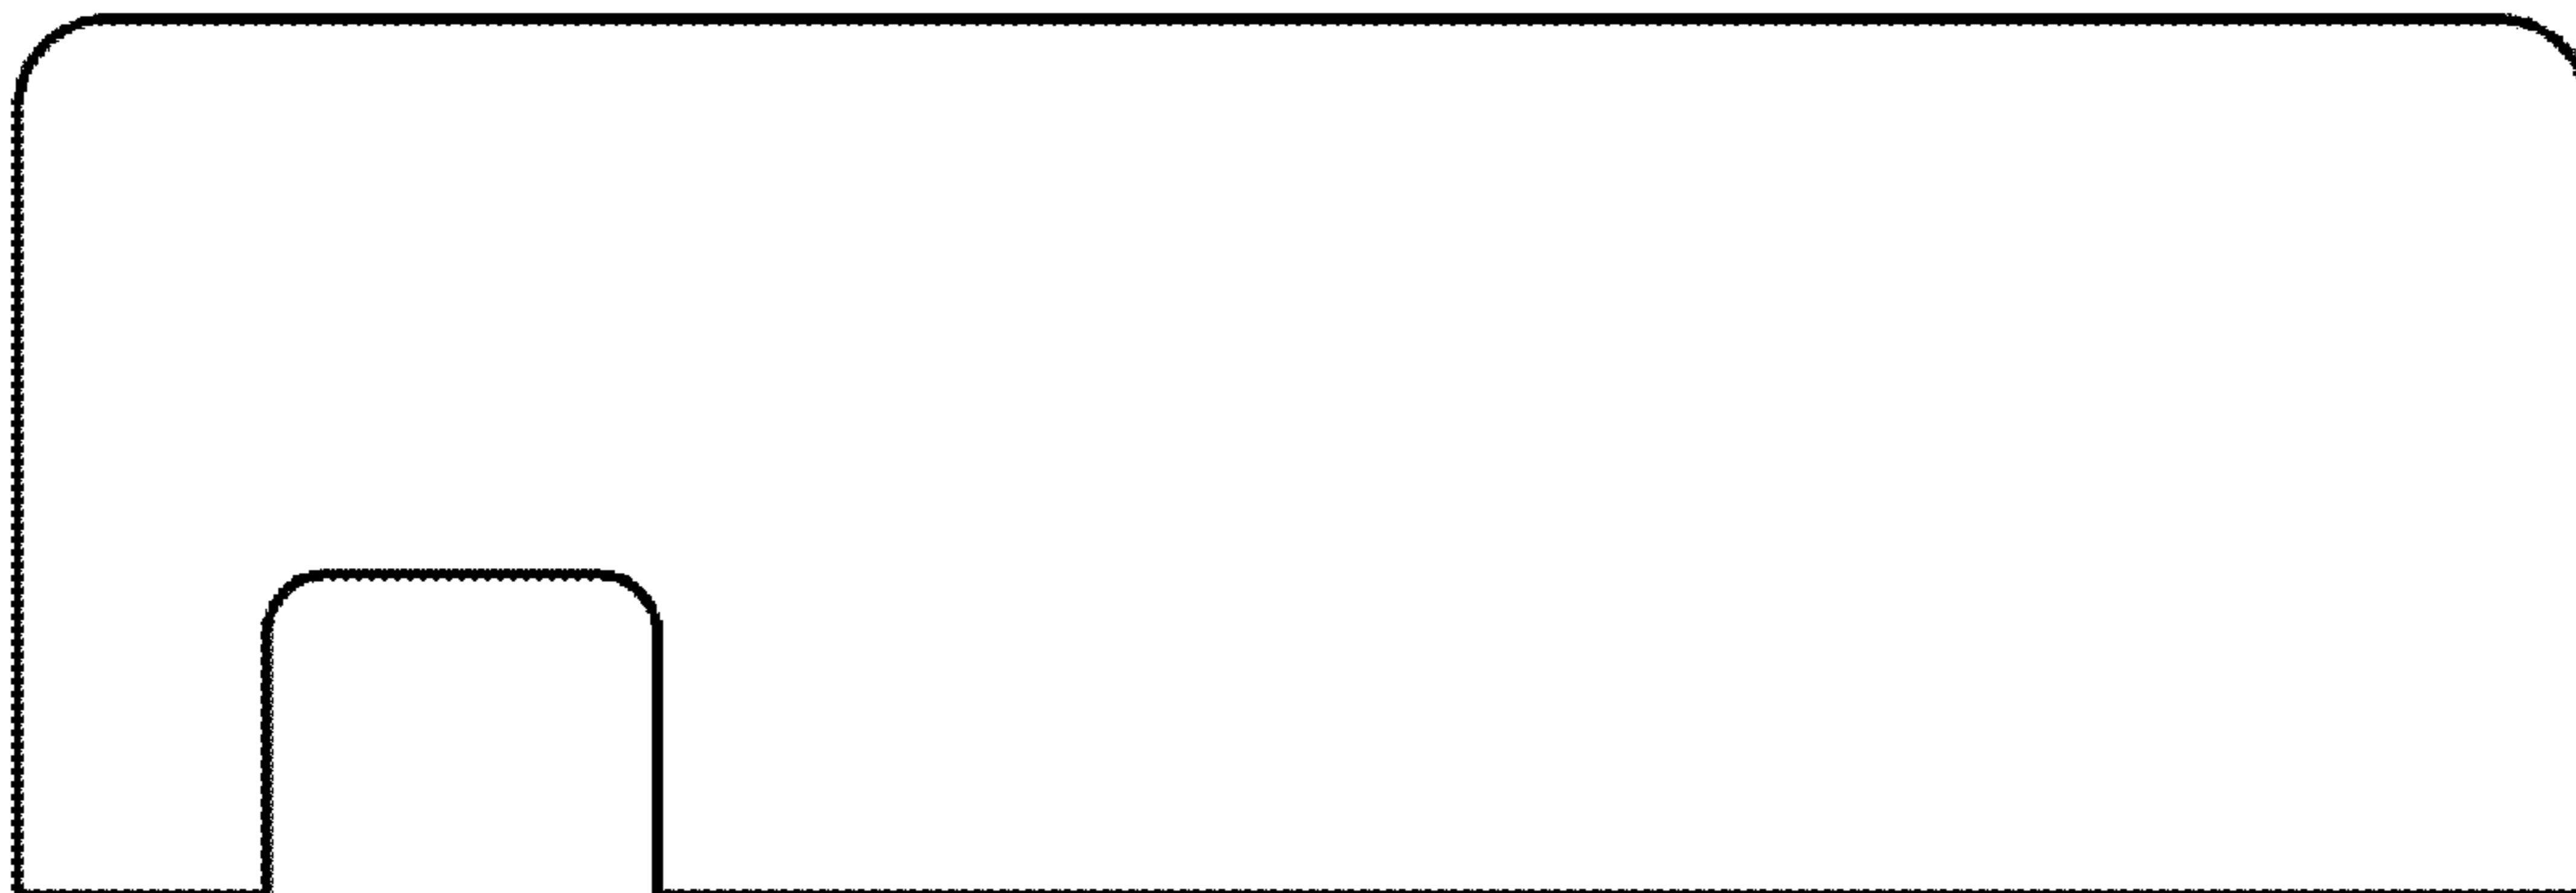

FIG. 2 is a bottom view of the card applique of FIG. 1; and, FIG. 3 is a top view of the card applique of FIG. 1 applied to a credit, debit, or similar card.

The broken line showing portions of the card applique is included for the purpose of illustrating environmental structure and forms no part of the claimed design.

The card applique has no appreciable thickness.

The design is an applique or sticker that may be applied to a credit, debit, or similar card. Side, front, and rear views are omitted for being not descriptive, as the design appears as a line in such views.
