(57) **CLAIM**

We claim the ornamental design for a sealing gland, as shown and described.

**DESCRIPTION**

FIG. 1 is a top, front perspective view of a sealing gland showing our new design;  
FIG. 2 is a bottom, front perspective view thereof;  
FIG. 3 is a top plan view thereof;  
FIG. 4 is a bottom plan view thereof; and,  
FIG. 5 is a front elevation sectional view thereof.  
The broken lines in the drawings form no part of the claimed design. Broken lines formed by equal length dashes show unclaimed subject matter. Cross-hatching in sectional views indicates a sectioned portion unlimited by material; the cross-hatching itself is not part of the claimed design.
