(57) **CLAIM**

We claim the ornamental design for a scope tray for modular inserts, as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of the invention showing the tray with its lid in place.

FIG. 2 is a left side plan view of the invention showing the tray with its lid in place.

FIG. 3 is a front plan view of the invention showing the tray with its lid in place.

FIG. 4 is a right side plan view of the invention showing the tray with its lid in place.

FIG. 5 is a bottom plan view of the invention showing the tray with its lid in place.

FIG. 6 is a top plan view of the invention showing the tray without its lid.

FIG. 7 is a left side plan view of the invention showing the tray without its lid.

FIG. 8 is a front plan view of the invention showing the tray without its lid.

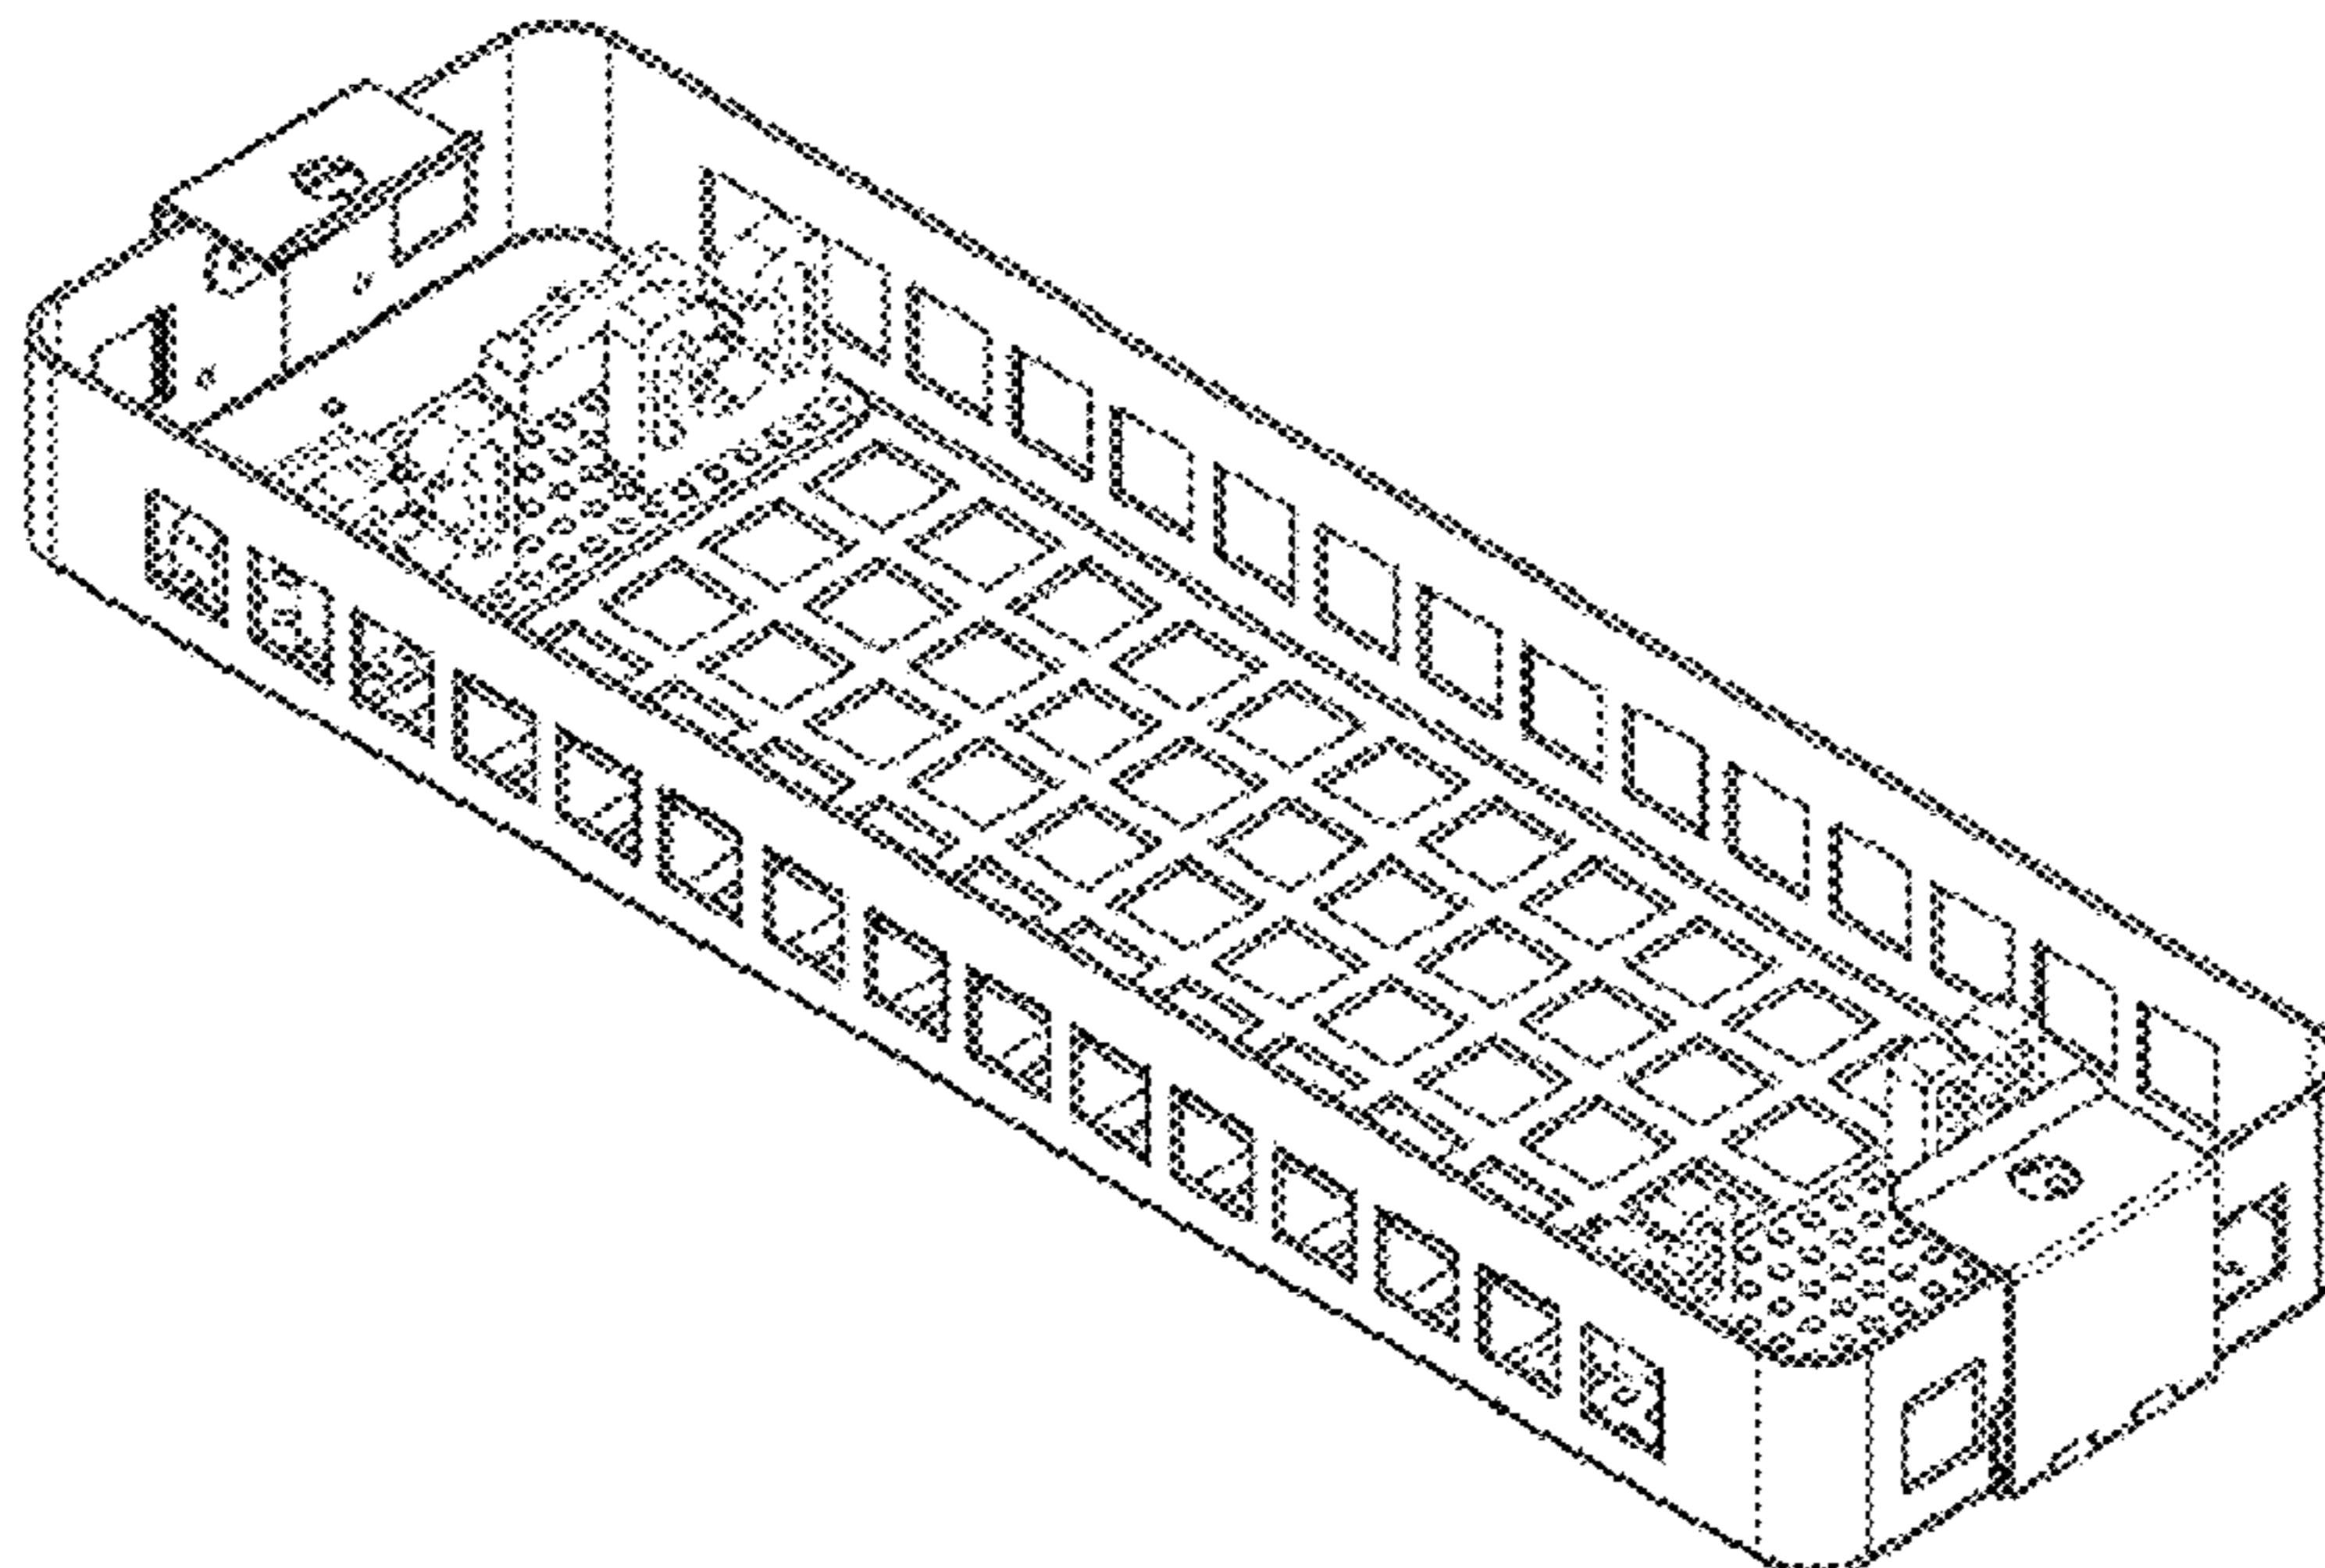

FIG. 9 is a right side plan view of the invention showing the tray without its lid.

FIG. 10 is a bottom plan view of the invention showing the tray without its lid.

FIG. 11 is a perspective view of the invention without the lid, showing an arrangement of modular inserts, which modular inserts form no part of the claimed design; and, FIG. 12 is a perspective view of the invention without the lid, showing an arrangement of modular inserts, which modular inserts form no part of the claimed design.

The broken lines in the drawings depict modular inserts for the scope tray and form no part of the claimed design.
