(57) **CLAIM**

We claim the ornamental designs for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical interface showing our new design. The broken line showing of display screen or portion thereof with graphical user interface is included for the purpose of illustrating portions of the article and forms no part of the claimed design. Stippling is used in the drawings to indicate a contrast in appearance.
