(57) **CLAIM**

I claim the ornamental design for a display screen portion with graphical user interface for a vehicle, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the first image in a sequence for display screen portion with graphical user interface for a vehicle;

FIG. 2 is a front view of the second image thereof; and, FIG. 3 is the front view of the third image thereof.

The outermost broken lines in each figure illustrate the display screen portion. The remaining broken lines in each figure illustrate portions of the graphical user interface. None of the broken lines form part of the claimed design. The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-3. The process or period in which one image transitions to another image forms no part of the claimed design.
