(57) **CLAIM**

The ornamental design for a display screen or a portion thereof with animated graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a first image of a display screen or a portion thereof with animated graphical user interface; FIG. 2 is a second image of a display screen or a portion thereof with animated graphical user interface; FIG. 3 is a third image of a display screen or a portion thereof with animated graphical user interface; and, FIG. 4 is a fourth image of a display screen or a portion thereof with animated graphical user interface.

The broken lines showing a display screen, a portion of a display screen, text, and other elements in the figures form no part of the claimed design.

The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-4. The process or period in which one image transitions to another image forms no part of the claimed design.
