(57) **CLAIM**

The ornamental design for attachment clips for a receptacle cover, as shown and described.

**DESCRIPTION**

FIG. 1 is an environmental, side perspective view of attachment clips for a receptacle cover showing my new design, where the rest of the receptacle cover and environment forms no part of the claimed design;

FIG. 2 is an environmental, front view of attachment clips for a receptacle cover showing my new design, where the rest of the receptacle cover and environment forms no part of the claimed design;

FIG. 3 is an environmental, top perspective view of attachment clips for a receptacle cover showing my new design, where the rest of the receptacle cover and environment forms no part of the claimed design;

FIG. 4 is an environmental, rear side perspective view of attachment clips for a receptacle cover showing my new design, where the rest of the receptacle cover and environment forms no part of the claimed design;

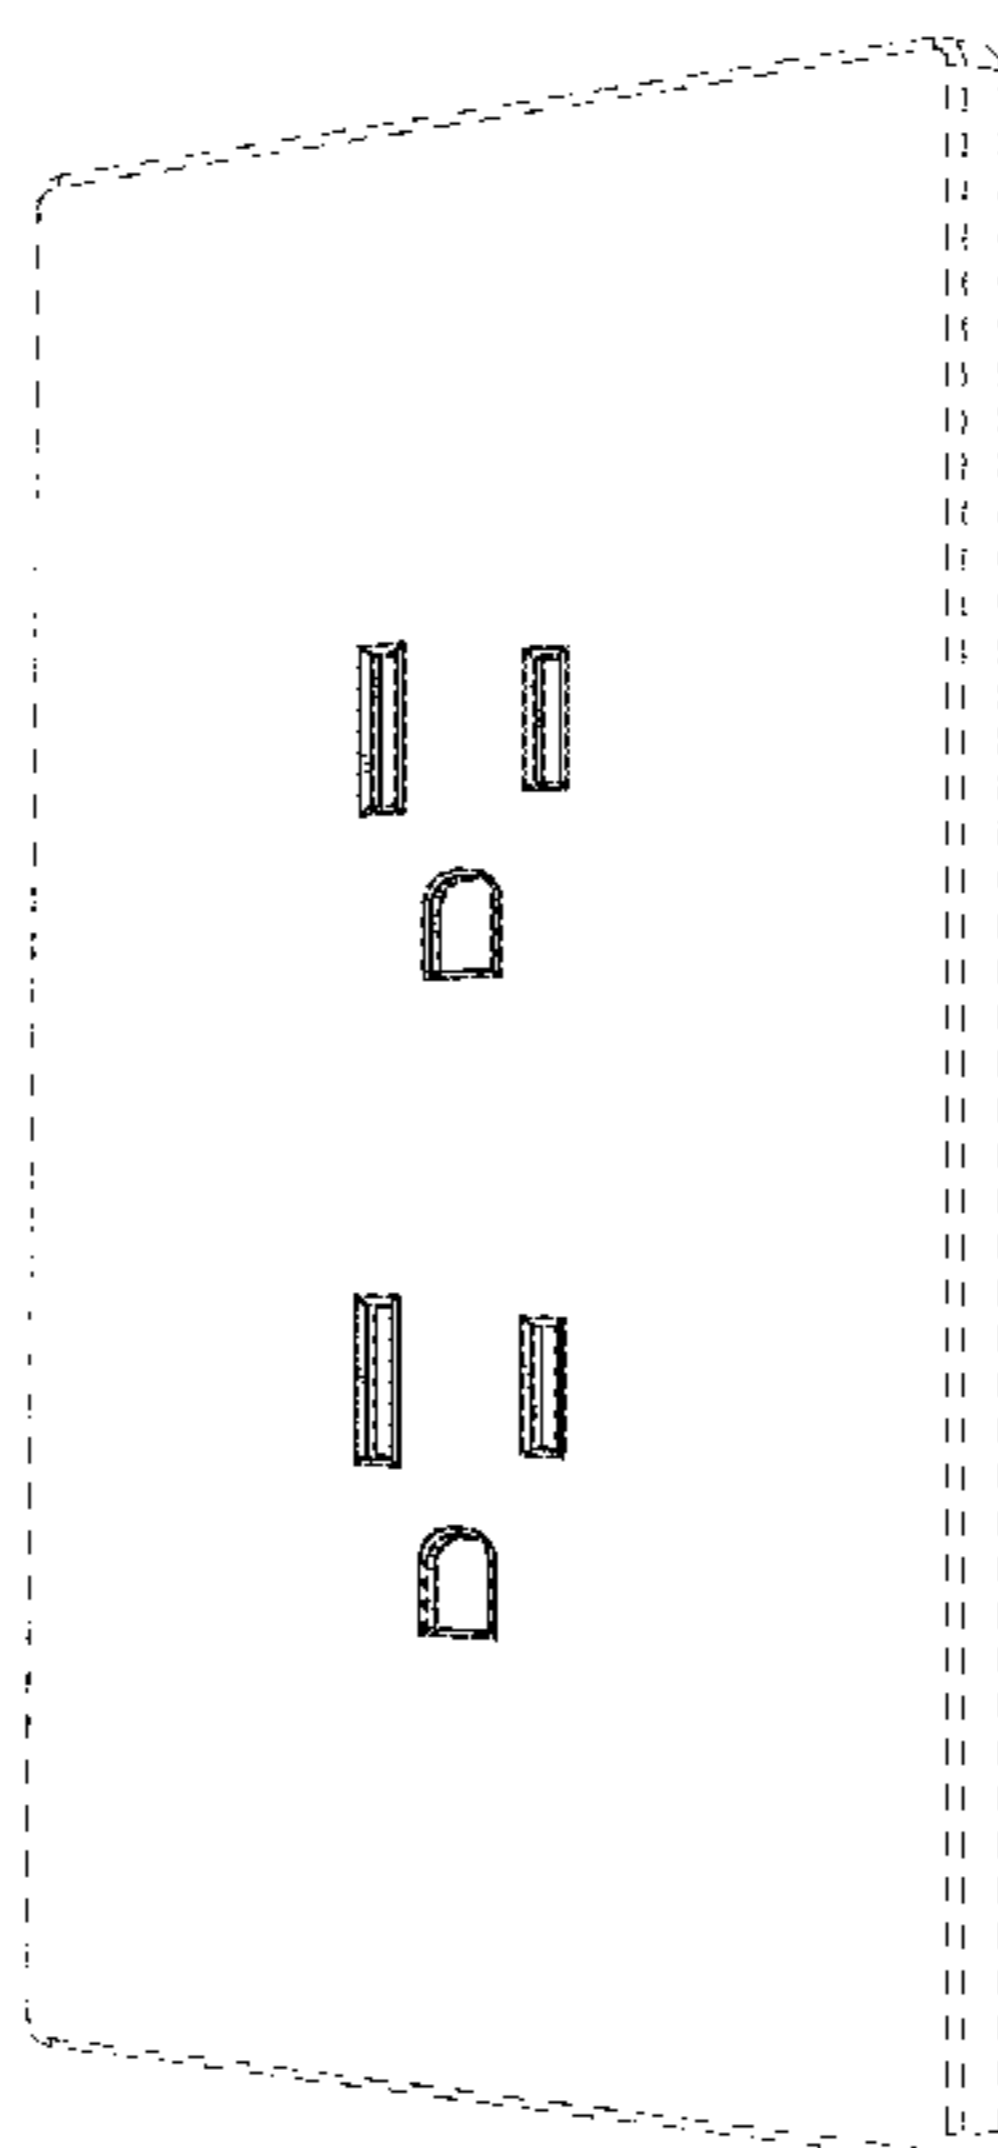

FIG. 5 is an environmental, side perspective view of attachment clips for a receptacle cover showing my new design, where the rest of the receptacle cover and environment forms no part of the claimed design; and

FIG. 6 is an environmental, side perspective view of attachment clips for a receptacle cover showing my new design, where the rest of the receptacle cover and environment forms no part of the claimed design; and,

FIG. 7 is an alternative environmental, side perspective view of attachment clips for a receptacle cover showing my new design, where the rest of the receptacle cover and environment forms no part of the claimed design.

The broken lines in FIGS. 1-7 are included for the purpose of illustrating the environment of attachment clips for a receptacle cover where the rest of the receptacle cover and environment forms no part of the claimed design.

**1 Claim, 7 Drawing Sheets**
