(57) **CLAIM**

The ornamental design for an electric pump, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front view of an electric pump according to the present application;
FIG. 2 is a rear view of the electric pump according to the present application;
FIG. 3 is a left view of the electric pump according to the present application;
FIG. 4 is a right view of the electric pump according to the present application;
FIG. 5 is a top view of the electric pump according to the present application;
FIG. 6 is a bottom view of the electric pump according to the present application; and,
FIG. 7 is a perspective view of the electric pump according to the present application.
The broken lines are included for the purpose of illustrating portions of the electric pump that form no part of the claimed design.
