FIG. 1 is a front view of a female urine collector showing my new design, a rear view being a mirror image thereof; FIG. 2 is a left side view of the female urine collector; FIG. 3 is a right side view of the female urine collector; FIG. 4 is a top view of the female urine collector; and, FIG. 5 is a bottom view of the female urine collector. The tube connection the urinal to the collector is shown with a symbolic break in its length. The appearance of any portion of the article between the break lines forms no part of the claimed design. The broken lines in FIGS. 3 and 4 are for illustrative purposes only and form no part of the claimed design.
