(57) **CLAIM**

The ornamental design for a charging station, as shown and described.

DESCRIPTION

FIG. 1 is a front, left perspective view of a charging station showing the new design;

FIG. 2 is a rear, perspective view of the charging station thereof;

FIG. 3 is a front elevation view of the charging station thereof;

FIG. 4 is a rear view of the charging station thereof;

FIG. 5 is a left side view of the charging station thereof;

FIG. 6 is a right side view of the charging station thereof;

FIG. 7 is a top plan view of the charging station thereof; and,

FIG. 8 is a bottom view of the charging station thereof.

The broken lines shown in the drawings illustrate portions of the charging station that form no part of the claimed design.
