This patent document contains copyrightable computer software elements including but not limited to screen displays and other copyrightable subject matter. The following notice shall apply to these elements: Copyright© 2017 Rebecca Brown, All Rights Reserved. A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, as long as the above Copyright Notice remains legible on all Copies. The copyright owner reserves all other national and international copyright rights.

The FIGURE is a front view of a display screen or portion thereof with graphical user interface. The outermost broken line showing of a display screen or portion thereof, and elements of the graphical user interface illustrate portions of the article and do not form part of the claimed design.
