(57) **CLAIM**

The ornamental design for a cigar training kit, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a cigar training kit in an open position, showing the new design;

FIG. 2 is a front perspective view of the cigar training kit in an open position with an internal component removed;

FIG. 3 is a rear perspective view of the cigar training kit in an open position with an internal component removed;

FIG. 4 is a front perspective view of the cigar training kit in a closed position;

FIG. 5 is a rear perspective view of the cigar training kit in a closed position;

FIG. 6 is a top view of the cigar training kit in a closed position;

FIG. 7 is a top view of the cigar training kit in an open position;

FIG. 8 is a left side view of the cigar training kit in an open position;

FIG. 9 is a front view of the cigar training kit in an open position;

FIG. 10 is a right side view of the cigar training kit in an open position;

FIG. 11 is a bottom view of the cigar training kit in an open position;

FIG. 12 is a front perspective view of the cigar training kit in an open position with an internal component removed and opened;

FIG. 13 is a rear perspective view of the cigar training kit in an open position with an internal component removed and opened;

FIG. 14 is an exploded front perspective view of the cigar training kit in an open position; and,

FIG. 15 is an exploded rear perspective view of the cigar training kit in an open position.

The uniformly dashed lines shown in the drawings illustrate portions of the cigar training kit which form no part of the claimed design.

1 Claim, 5 Drawing Sheets
