(57) **CLAIM**

The ornamental design for a chain link, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the first side of the chain link, showing my new design;  
FIG. 2 is a perspective view of the opposing side of the chain link that is shown in FIG. 1;  
FIG. 3 is a view in elevation of the first side of the chain link as shown in FIG. 1;  
FIG. 4 is view in elevation of the opposing side of the chain link as shown in FIG. 2;  
FIG. 5 is a view in elevation, representative of both opposing ends of the chain link;  
FIG. 6 is a plan view, representative of both the top view and bottom view of the chain link as shown in FIGS. 1 and 2; and,  
FIG. 7 is an exploded perspective view of the components that, when fit together, form the chain link as depicted in FIG. 2.

The broken lines shown in the figures are for the purpose of illustrating portions of the chain link and form no part of the claimed design.
