DESCRIPTION

FIG. 1 is a front perspective view of a lace point, illustrating the new, original, and ornamental design;
FIG. 2 is a front planar view of the lace point;
FIG. 3 is a back planar view of the lace point;
FIG. 4 is a top planar view of the lace point;
FIG. 5 is a bottom planar view of the lace point;
FIG. 6 is a left side planar view of the lace point;
FIG. 7 is a right side planar view of the lace point; and,
FIG. 8 is a view of a pair of lace points shown in use securing a lace within a shoe in an untied position.
The broken lines shown in the drawings are included for the purpose of illustrating environmental structure and form no part of the claimed design.
