CLAIM

The ornamental design for a vehicle dashboard with animated graphical user interface, as shown and described.

DESCRIPTION

1. Vehicle dashboard with animated graphical user interface
1.1 is a front view of the first image in a sequence for a vehicle dashboard with animated graphical user interface showing our new design;

1.2 is a front view of the second image thereof;

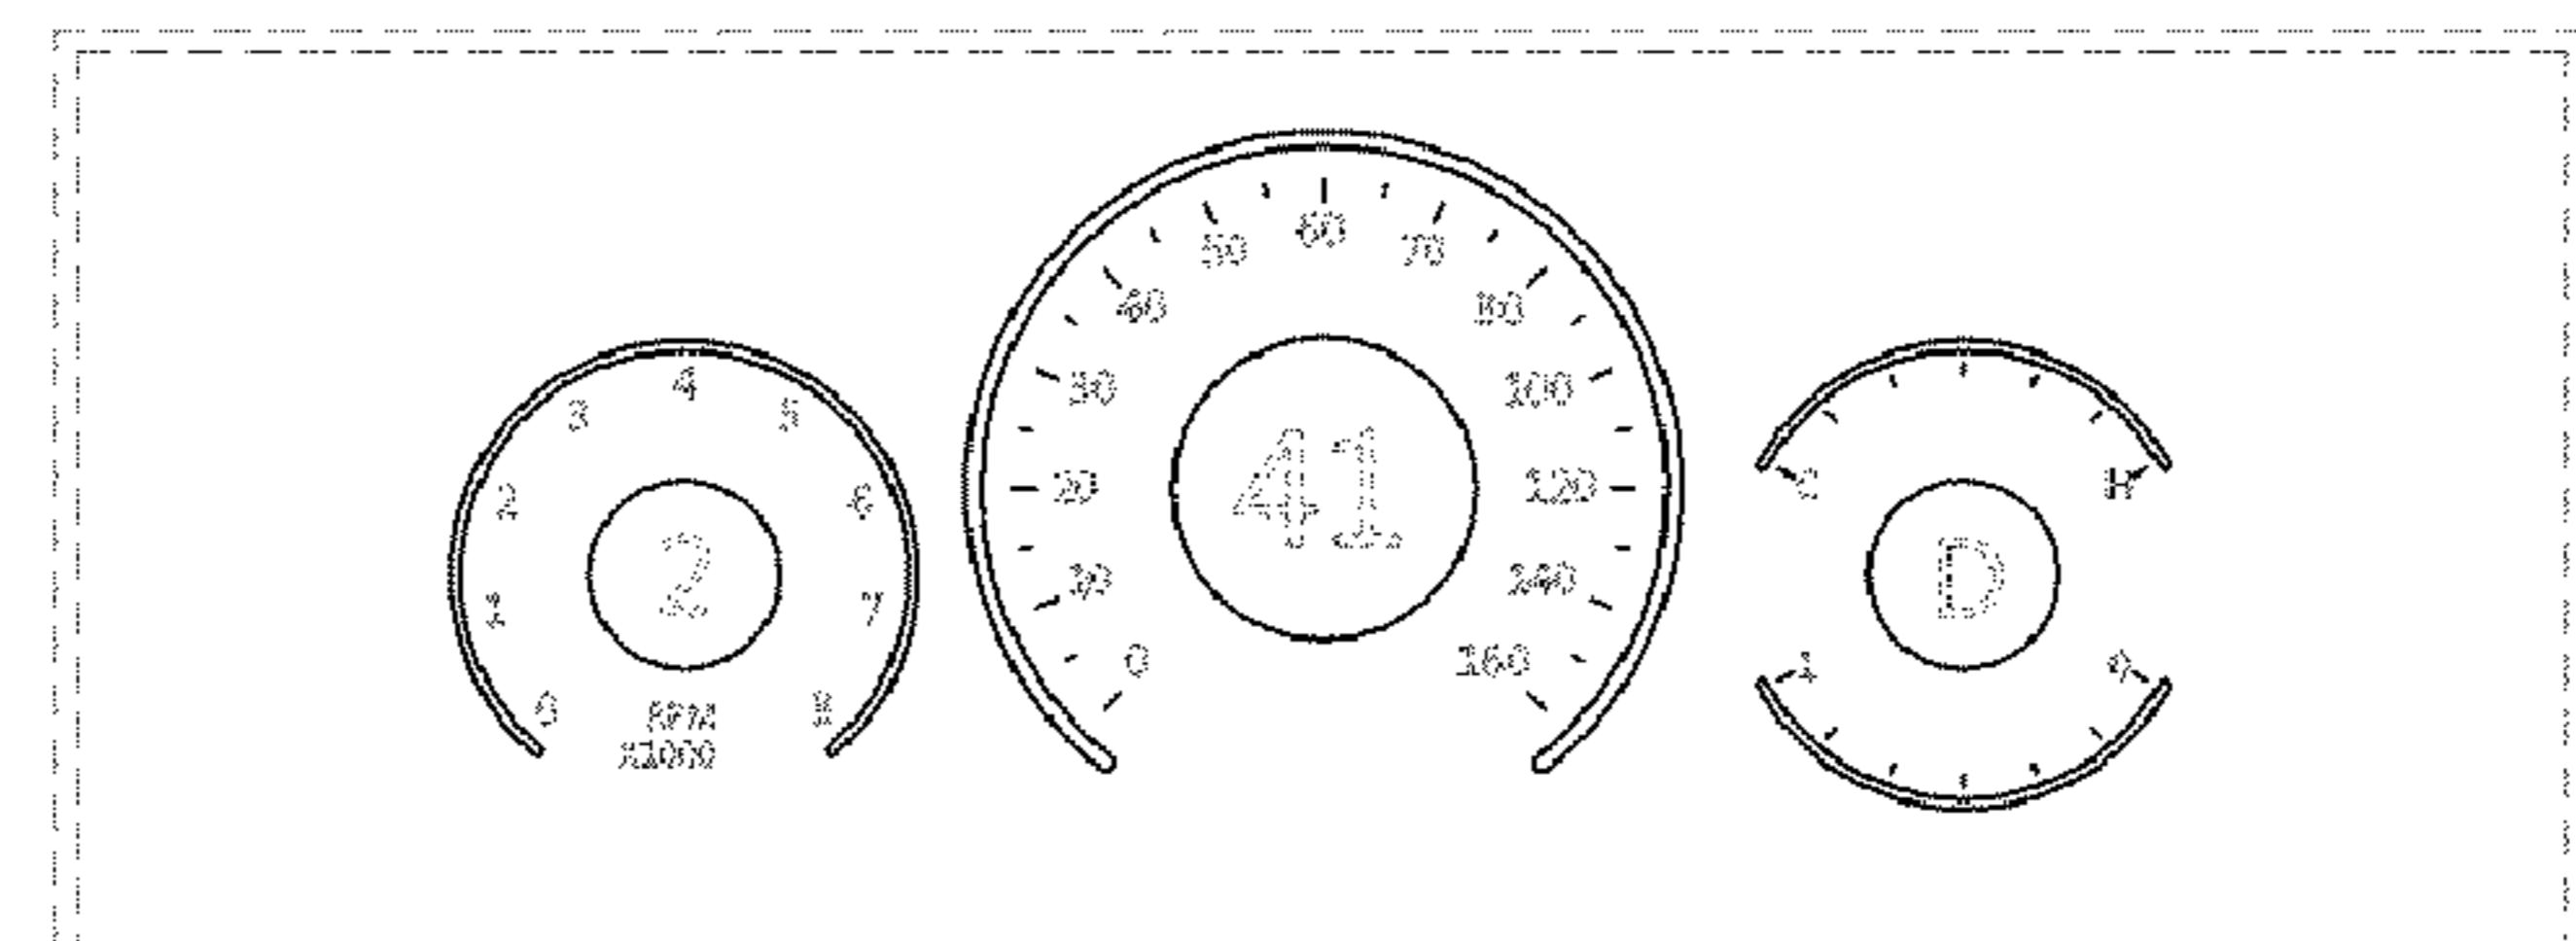

1.3 is a front view of the third image thereof;

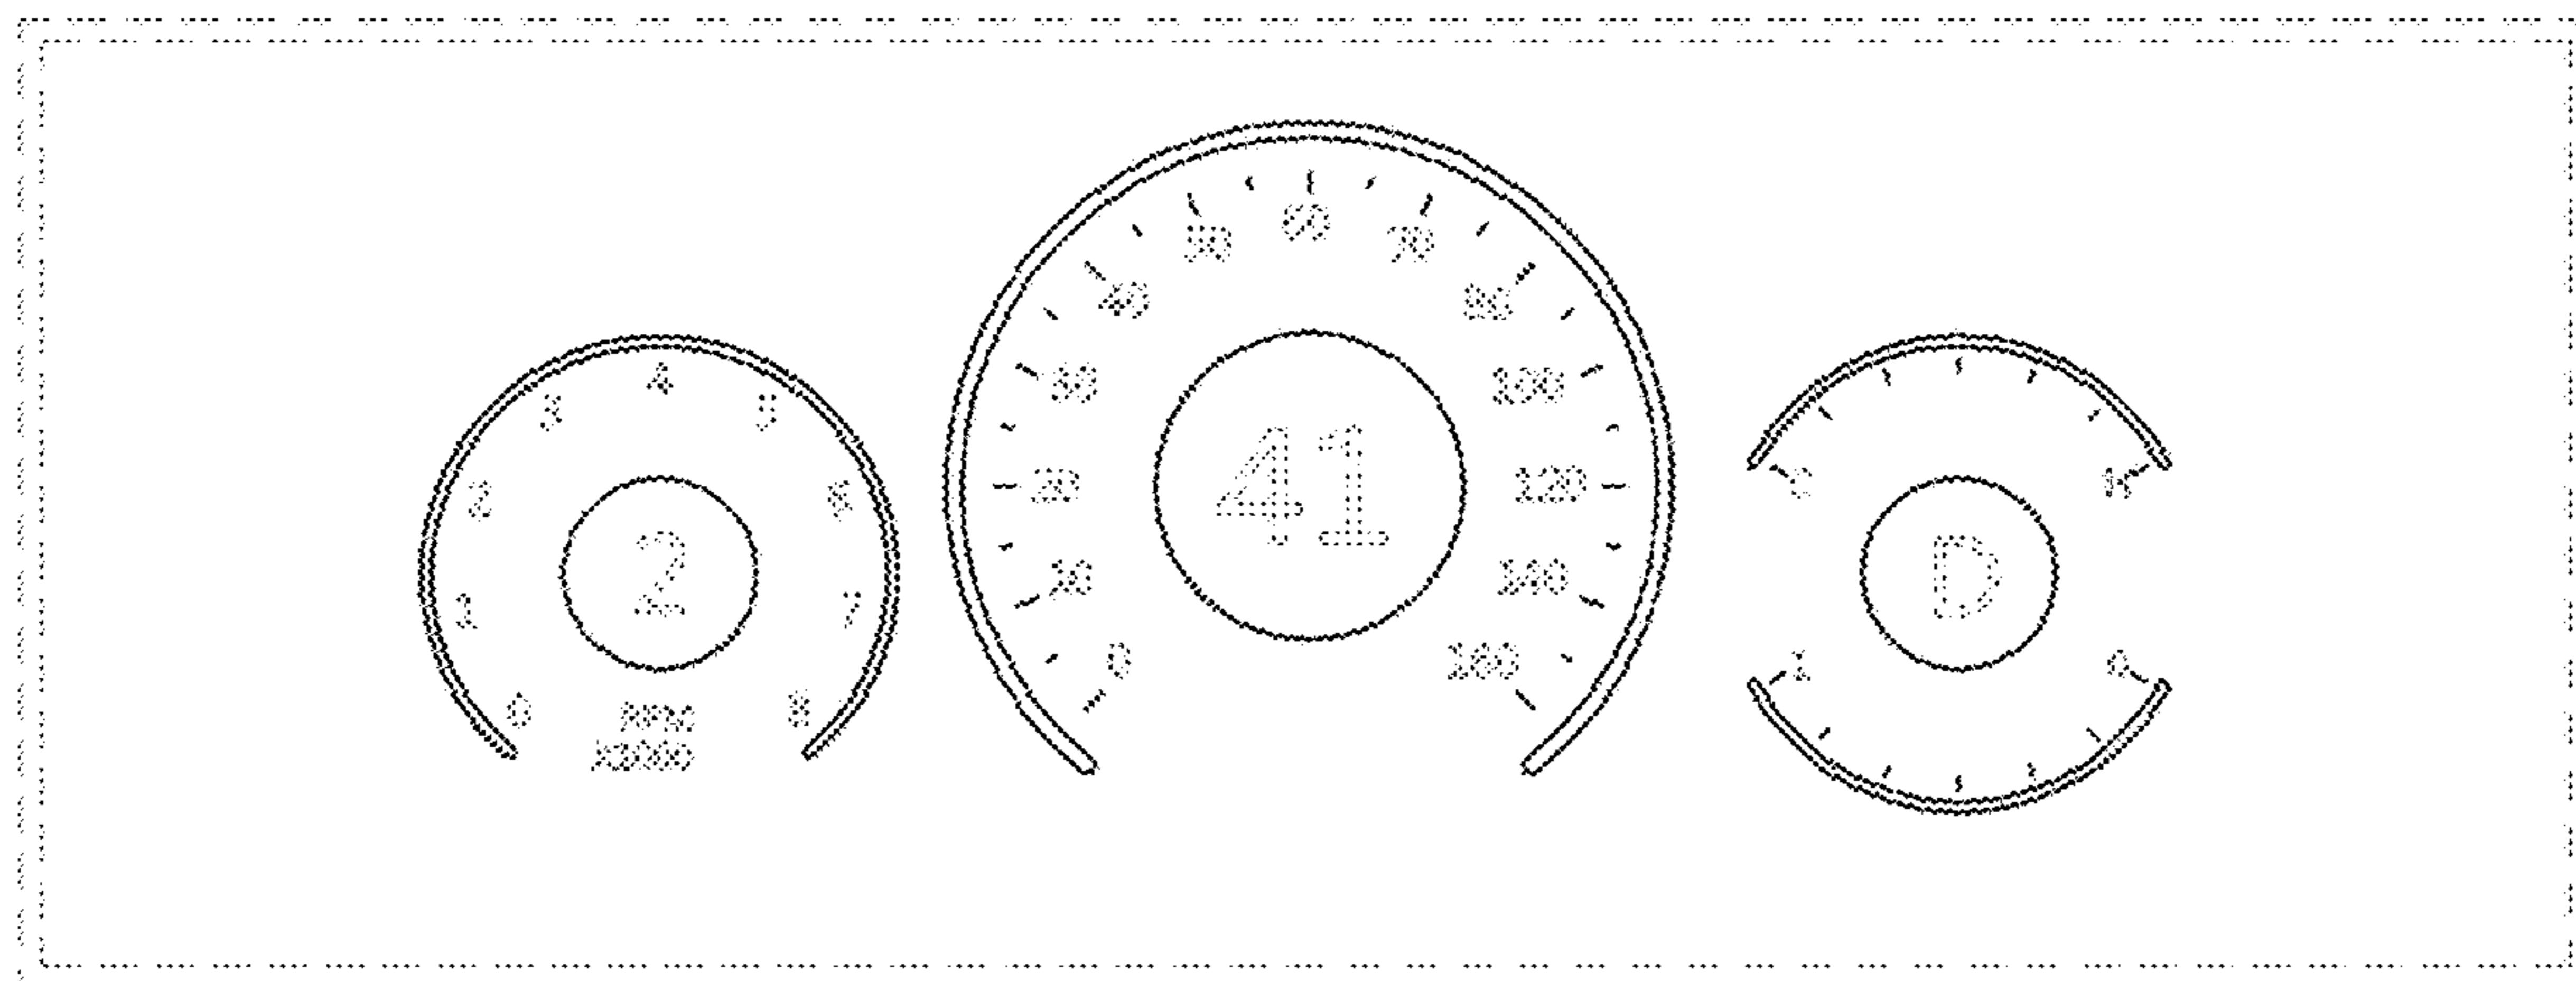

1.4 is a front view of the fourth image thereof; and

1.5 is a front view of the fifth image thereof.

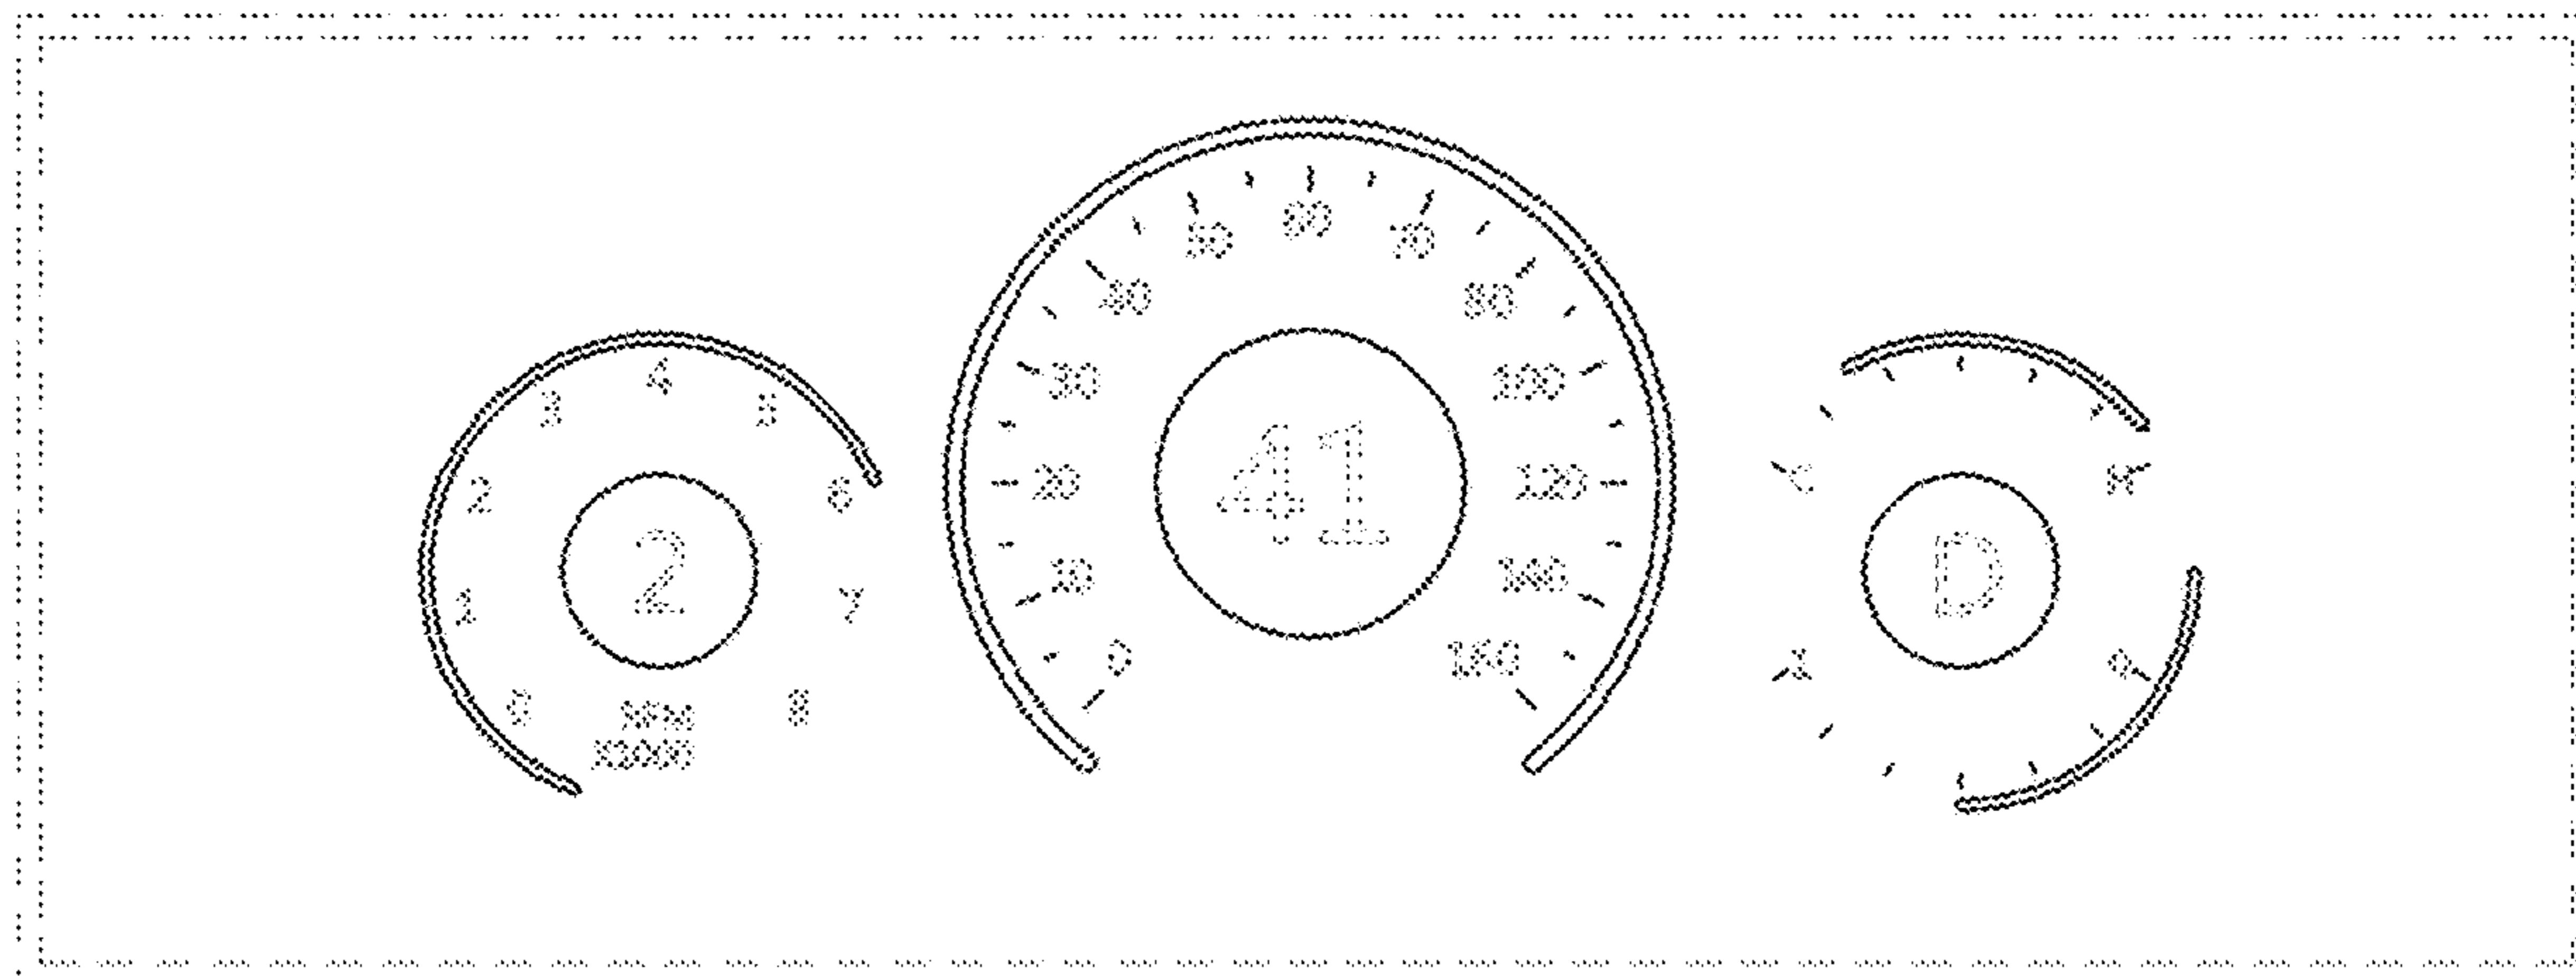

The appearance of the animated graphical user interface sequentially transitions between the images shown in 1.1-1.5. The process or period in which on image transitions to another forms no part of the claimed design. The broken lines showing the vehicle dashboard and portions of the graphical user interface form no part of the claimed design.
