(57) **CLAIM**

The ornamental design for a display screen with graphical user interface for a boiler, as shown and described.

DESCRIPTION

The sole FIGURE depicts a front view of a display screen with graphical user interface for a boiler, showing our new design.

The outermost broken line(s) define the bounds or the claimed design and form no part thereof. The broken line showing of a display screen with graphical user interface for a boiler is for the purpose of illustrating portions of the article and forms no part of the claim.

1 Claim, 1 Drawing Sheet
