(57) **CLAIM**

The ornamental design for a heel pad, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of a heel pad showing my new design, the rear being a mirror image thereof. FIG. 2 is a rear perspective view thereof, depicting the design in a position of use affixed to a shoe; and, FIG. 3 is a right side perspective view thereof, the left side being a mirror image depicting the design in a position of use on a shoe. The broken lines depicting a shoe represent the environment in which the design resides; and forms no part of the claim.
