(57) **CLAIM**

The ornamental design for an extruded sticker for spacing wood, as shown and described.

DESCRIPTION

FIG. 1 is an end view of the extruded sticker for spacing wood showing the new design, with the opposing end view being identical;

FIG. 2 is a top view thereof, with the opposing bottom view being identical;

FIG. 3 is a side view thereof, with the opposing side view being identical; and,

FIG. 4 is a perspective view thereof, with the broken line not forming part of the claimed design.

The extruded sticker for spacing wood is shown with a symbolic break in its length. The appearance of any portion of the article between the break lines forms no part of the claimed design.
