(57) **CLAIM**

The ornamental design for a water supply throughway for a urinal, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, left perspective view of a water supply throughway for a urinal showing our new design;

FIG. 2 is a top view thereof;

FIG. 3 is a front view thereof;

FIG. 4 is a left side view thereof; and,

FIG. 5 is a right side view thereof.

The broken lines immediately adjacent to the shaded area represent unclaimed boundaries of the design. The broken lines shown in the remainder of the drawings depict environment only that forms no part claim.
