- 4,781,522 A 11/1988 Wolfrun

DESCRIPTION

FIG. 1 is a front perspective view of an exhaust fan recapture generator.
The side perspective and back perspective views of the exhaust fan recapture generator appear the same as FIG. 1.
FIG. 2 is a top view of the exhaust fan recapture generator; and,
FIG. 3 is a bottom view of the exhaust fan recapture generator.
The broken lines represent portions of the structure that form no part of the claim.
