(57) **CLAIM**

The ornamental design for a display screen with employee survey graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view illustrating our display screen with employee survey graphical user interface. The outer broken line perimeter showing of the display screen and the other broken line showing of elements of the graphical user interface are provided for the purposes illustrating portions of the article that form no part of the claimed design.

1 Claim, 1 Drawing Sheet
