(57) **CLAIM**

We claim the ornamental design for a display screen or
portion thereof with graphical user interface, as shown and
described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or
portion thereof with graphical user interface showing our
new design.

The outermost broken line illustrates a display screen or
portion thereof and forms no part of the claimed design. The
remainder of the broken lines illustrate portions of the
graphical user interface and form no part of the claimed
design.
