(57) **CLAIM**

The ornamental design for a semi-automatic pistol, as shown and described.

DESCRIPTION

FIG. 1 is a top left side perspective view of the semi-automatic pistol according to our design;
FIG. 2 is a top right side perspective detailed view of the semi-automatic pistol according to our design;
FIG. 3 is bottom right side perspective view of the semi-automatic pistol according to our design;
FIG. 4 is bottom left side perspective view of the semi-automatic pistol according to our design;
FIG. 5 is a left side view of the semi-automatic pistol according to our design;
FIG. 6 is a right view of the semi-automatic pistol according to our design;
FIG. 7 is a front view of the semi-automatic pistol according to our design;
FIG. 8 is a rear view of the semi-automatic pistol according to our design;
FIG. 9 is a top view of the semi-automatic pistol according to our design; and,
FIG. 10 is a bottom view of the semi-automatic pistol according to our design.

The broken lines represent portions of the semi-automatic pistol that form no part of the claimed design.
