(57) **CLAIM**

The ornamental design for an electronic vaping device, as shown and described.

DESCRIPTION

FIG. 1 is a first perspective view of the device showing in the foreground a proximal end having a wood grain appearance.
FIG. 2 is a second perspective view of the device.
FIG. 3 is a third perspective view of the device showing in the foreground a distal end.
FIG. 4 is a fourth perspective view of the device showing in the foreground the distal end.
FIG. 5 is a fifth perspective view of the device showing in the foreground the proximal end.
FIG. 6 is an elevation view of the device.
FIG. 7 is a plan view of the proximal end of the device; and, FIG. 8 is a plan view of the distal end of the device.
