DESCRIPTION

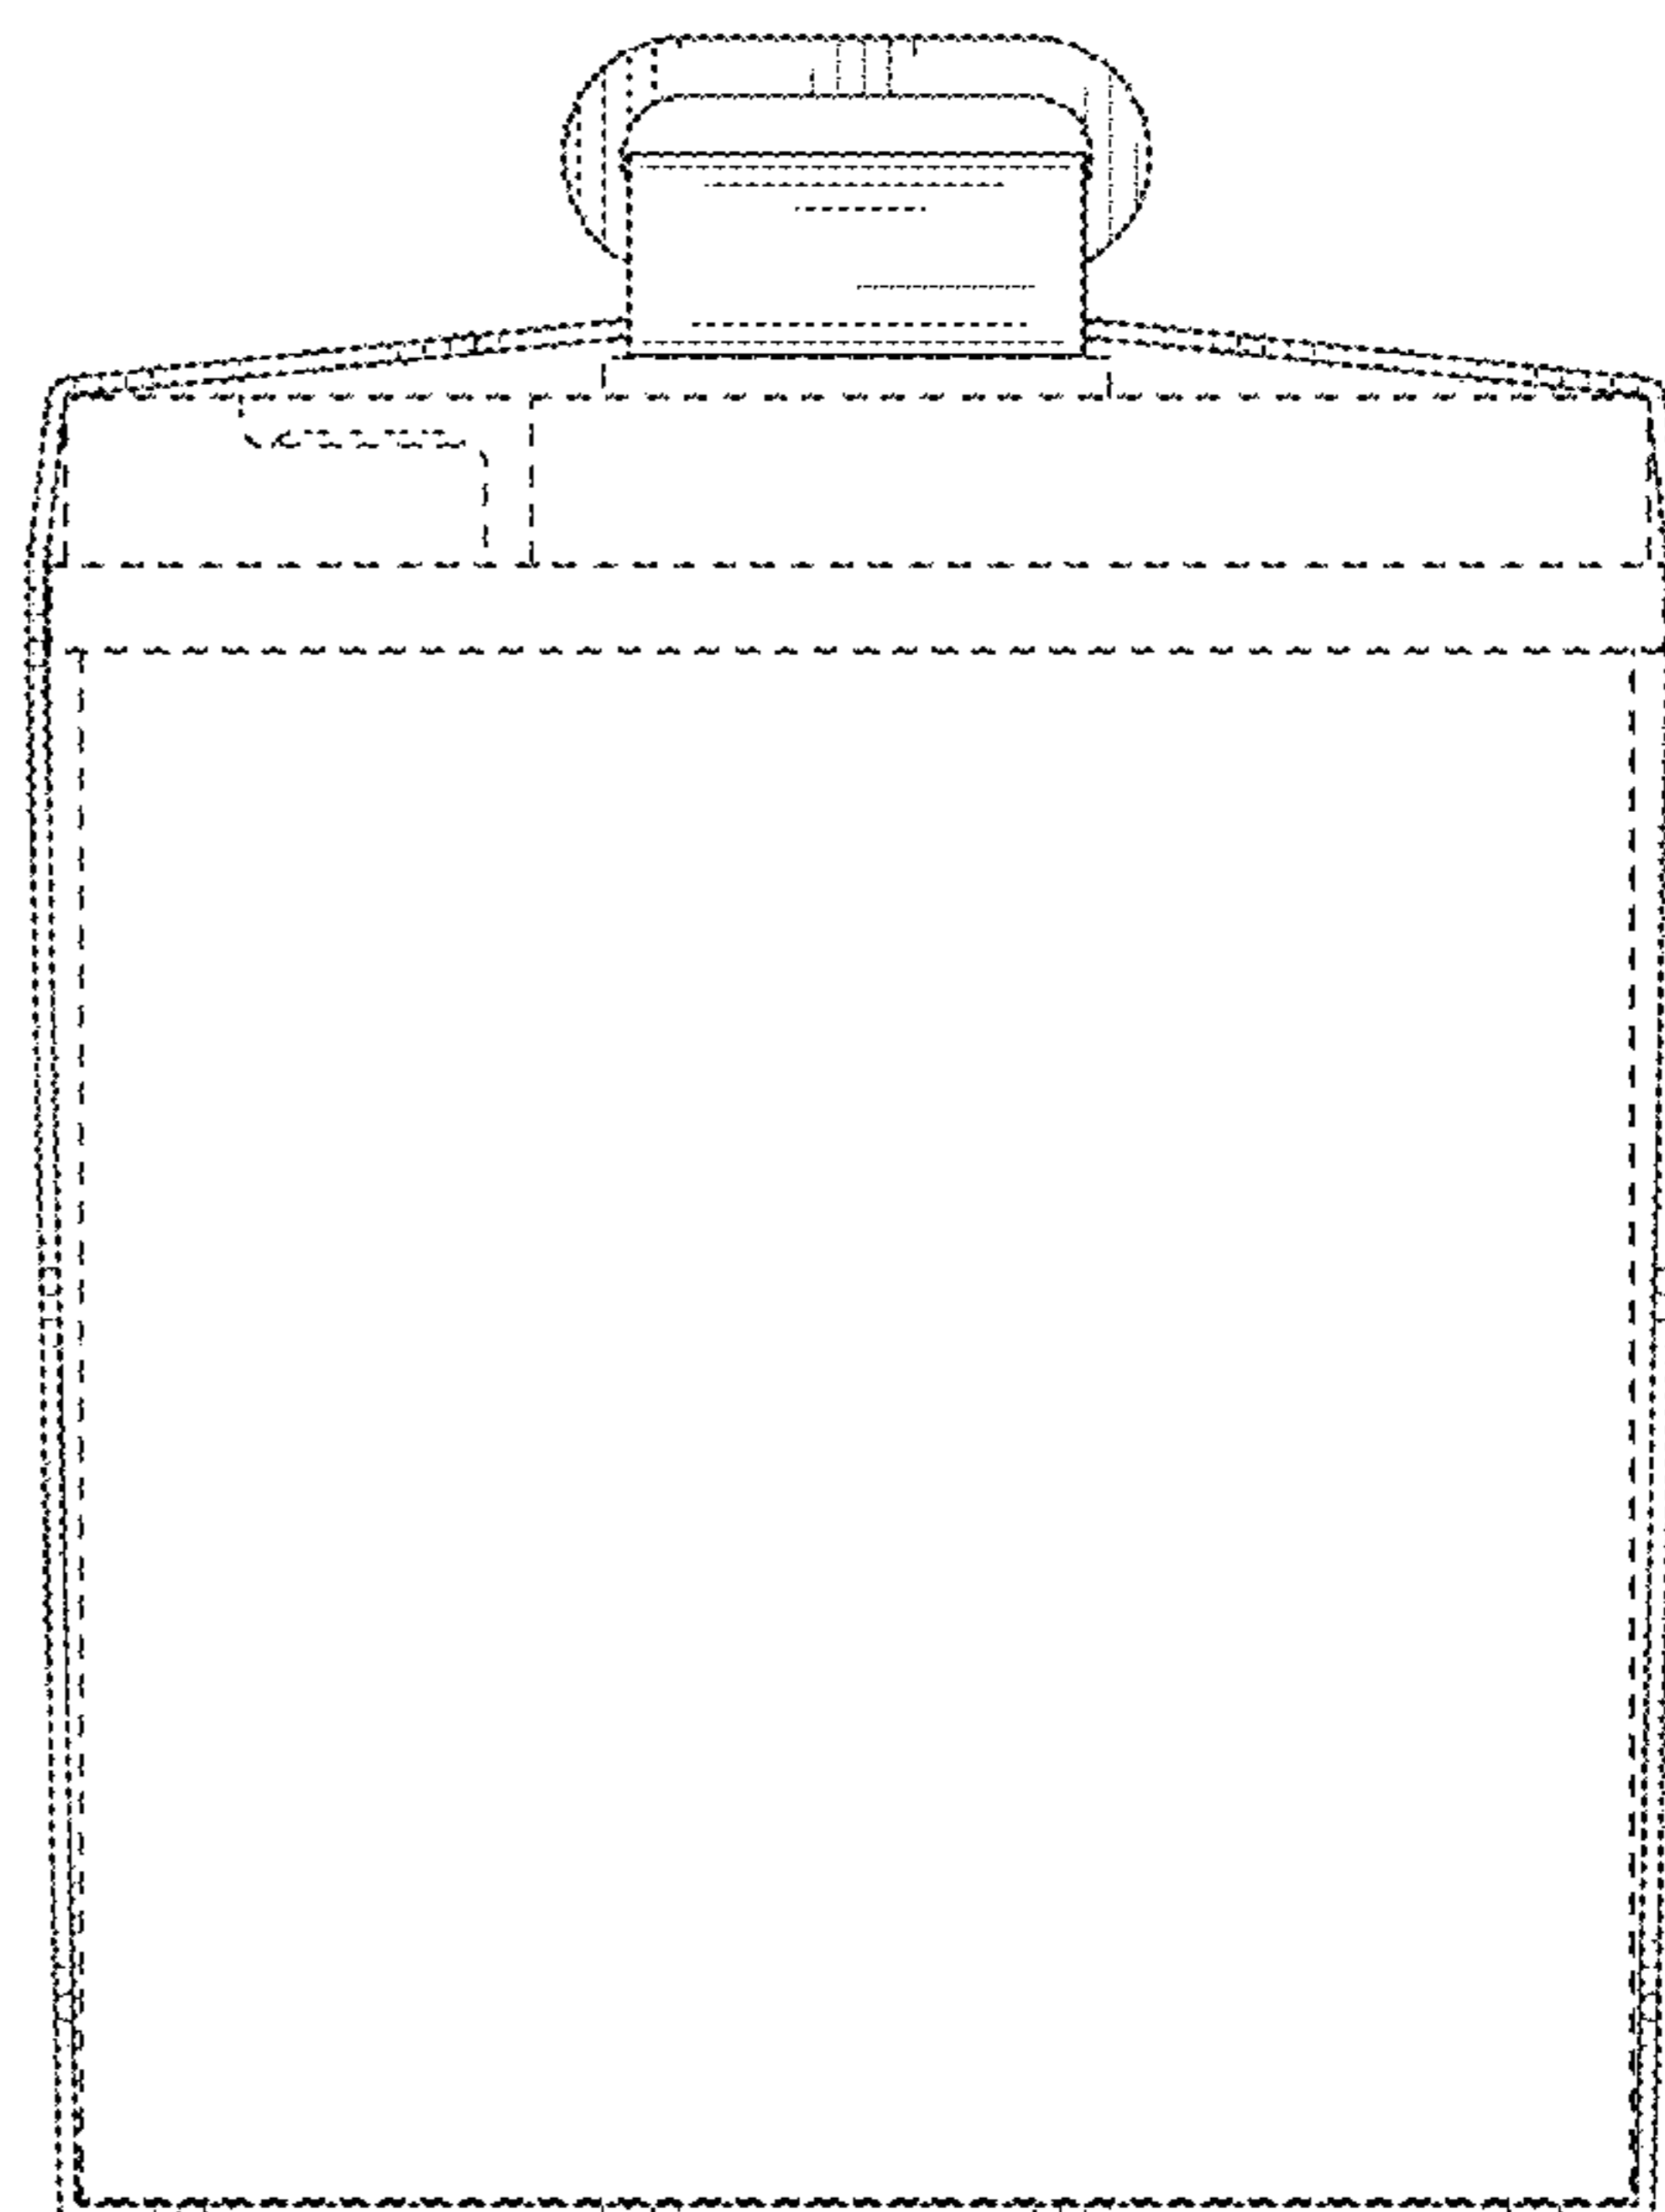

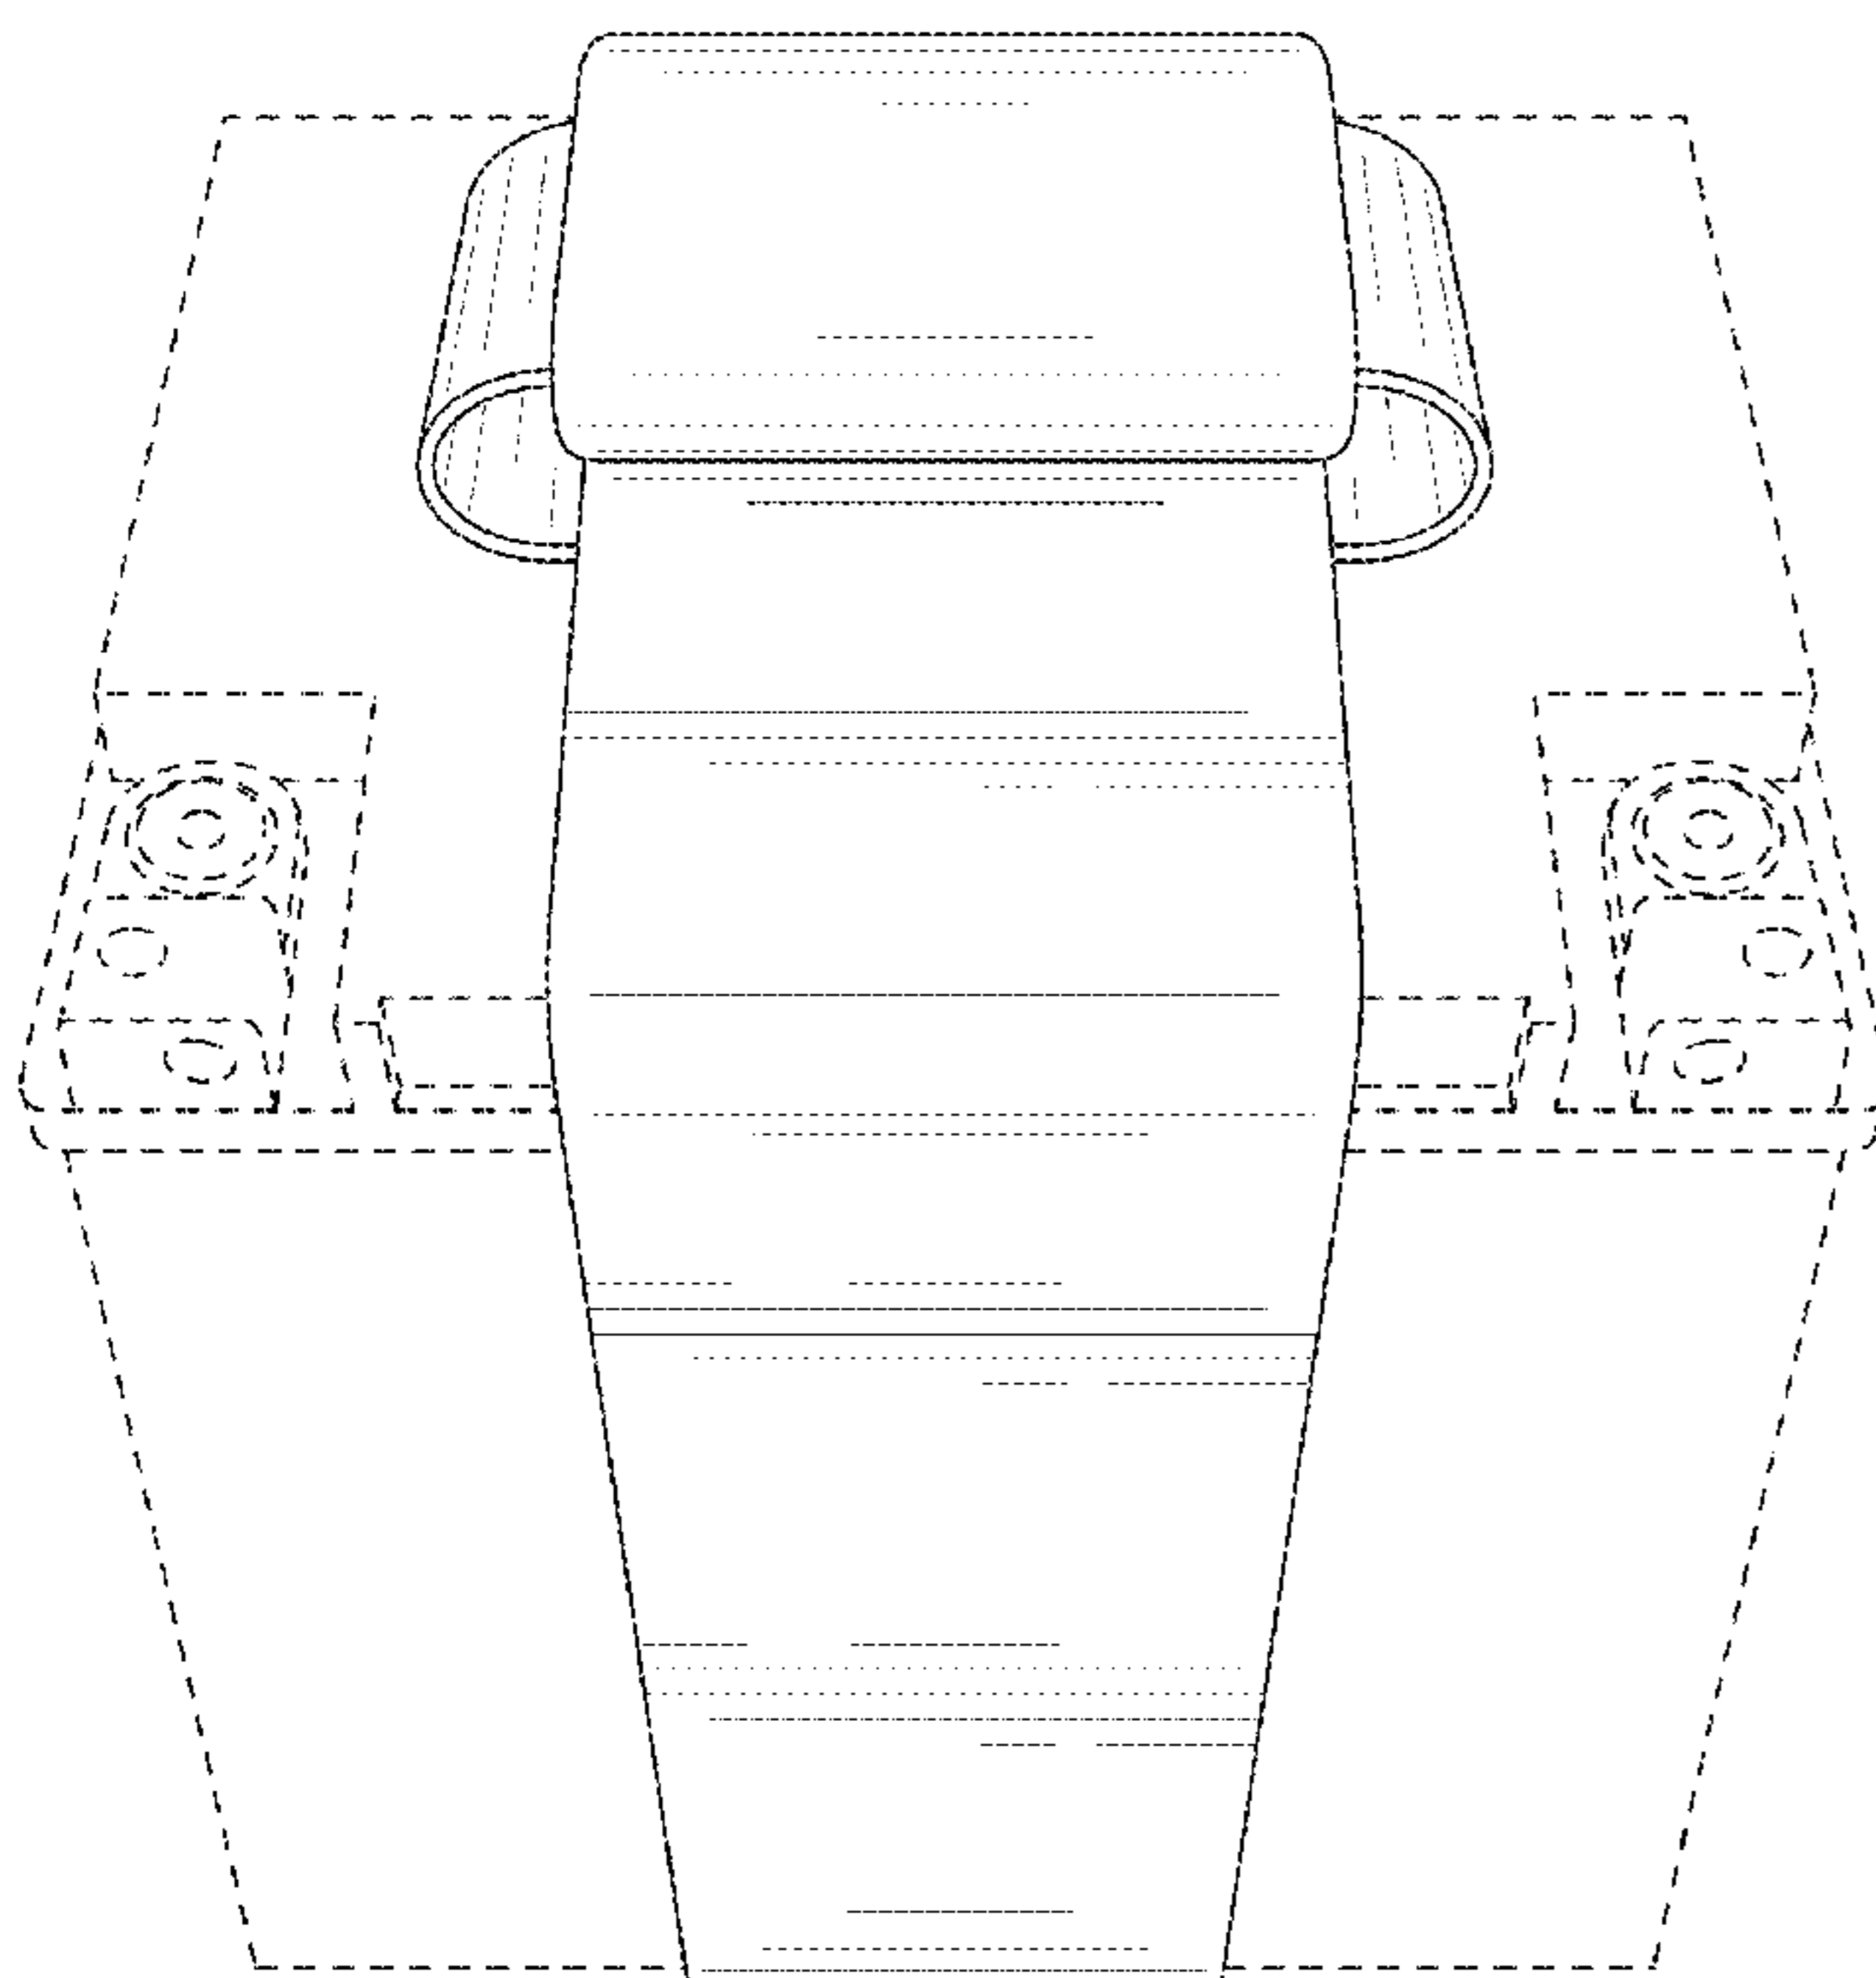

FIG. 1 is a front perspective view of the battery removal strap design.

FIG. 2 is a right side elevational view of FIG. 1, with the left side elevational view being a mirror image thereof.

FIG. 3 is a top view of the battery removal strap design; and, FIG. 4 is a bottom view of the battery removal strap design.

The broken lines showing the battery is for the purpose of illustrating environment and forms no part of the claimed design.
