(57) **CLAIM**

The ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display screen or a portion thereof with a graphical user interface.

The outermost broken line showing of a display screen portion and the other broken line showing of elements of the graphical user interface illustrate portions of the article and do not form part of the claimed design.

1 Claim, 1 Drawing Sheet
