(57) **CLAIM**

The ornamental design for a luggage, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a luggage showing my new design; FIG. 2 is a rear perspective view thereof with the handle shown partially extended; FIG. 3 is a rear perspective view thereof with the handle shown partially extended; FIG. 4 is a front perspective view thereof with the handle shown fully extended; FIG. 5 is a left side view thereof with the handle shown fully retracted; and, FIG. 6 is a right side view thereof with the handle shown fully retracted. The consistently broken lines appearing in the straps and the handles constitute stitching that forms part of the claimed design.
