(57) **CLAIM**

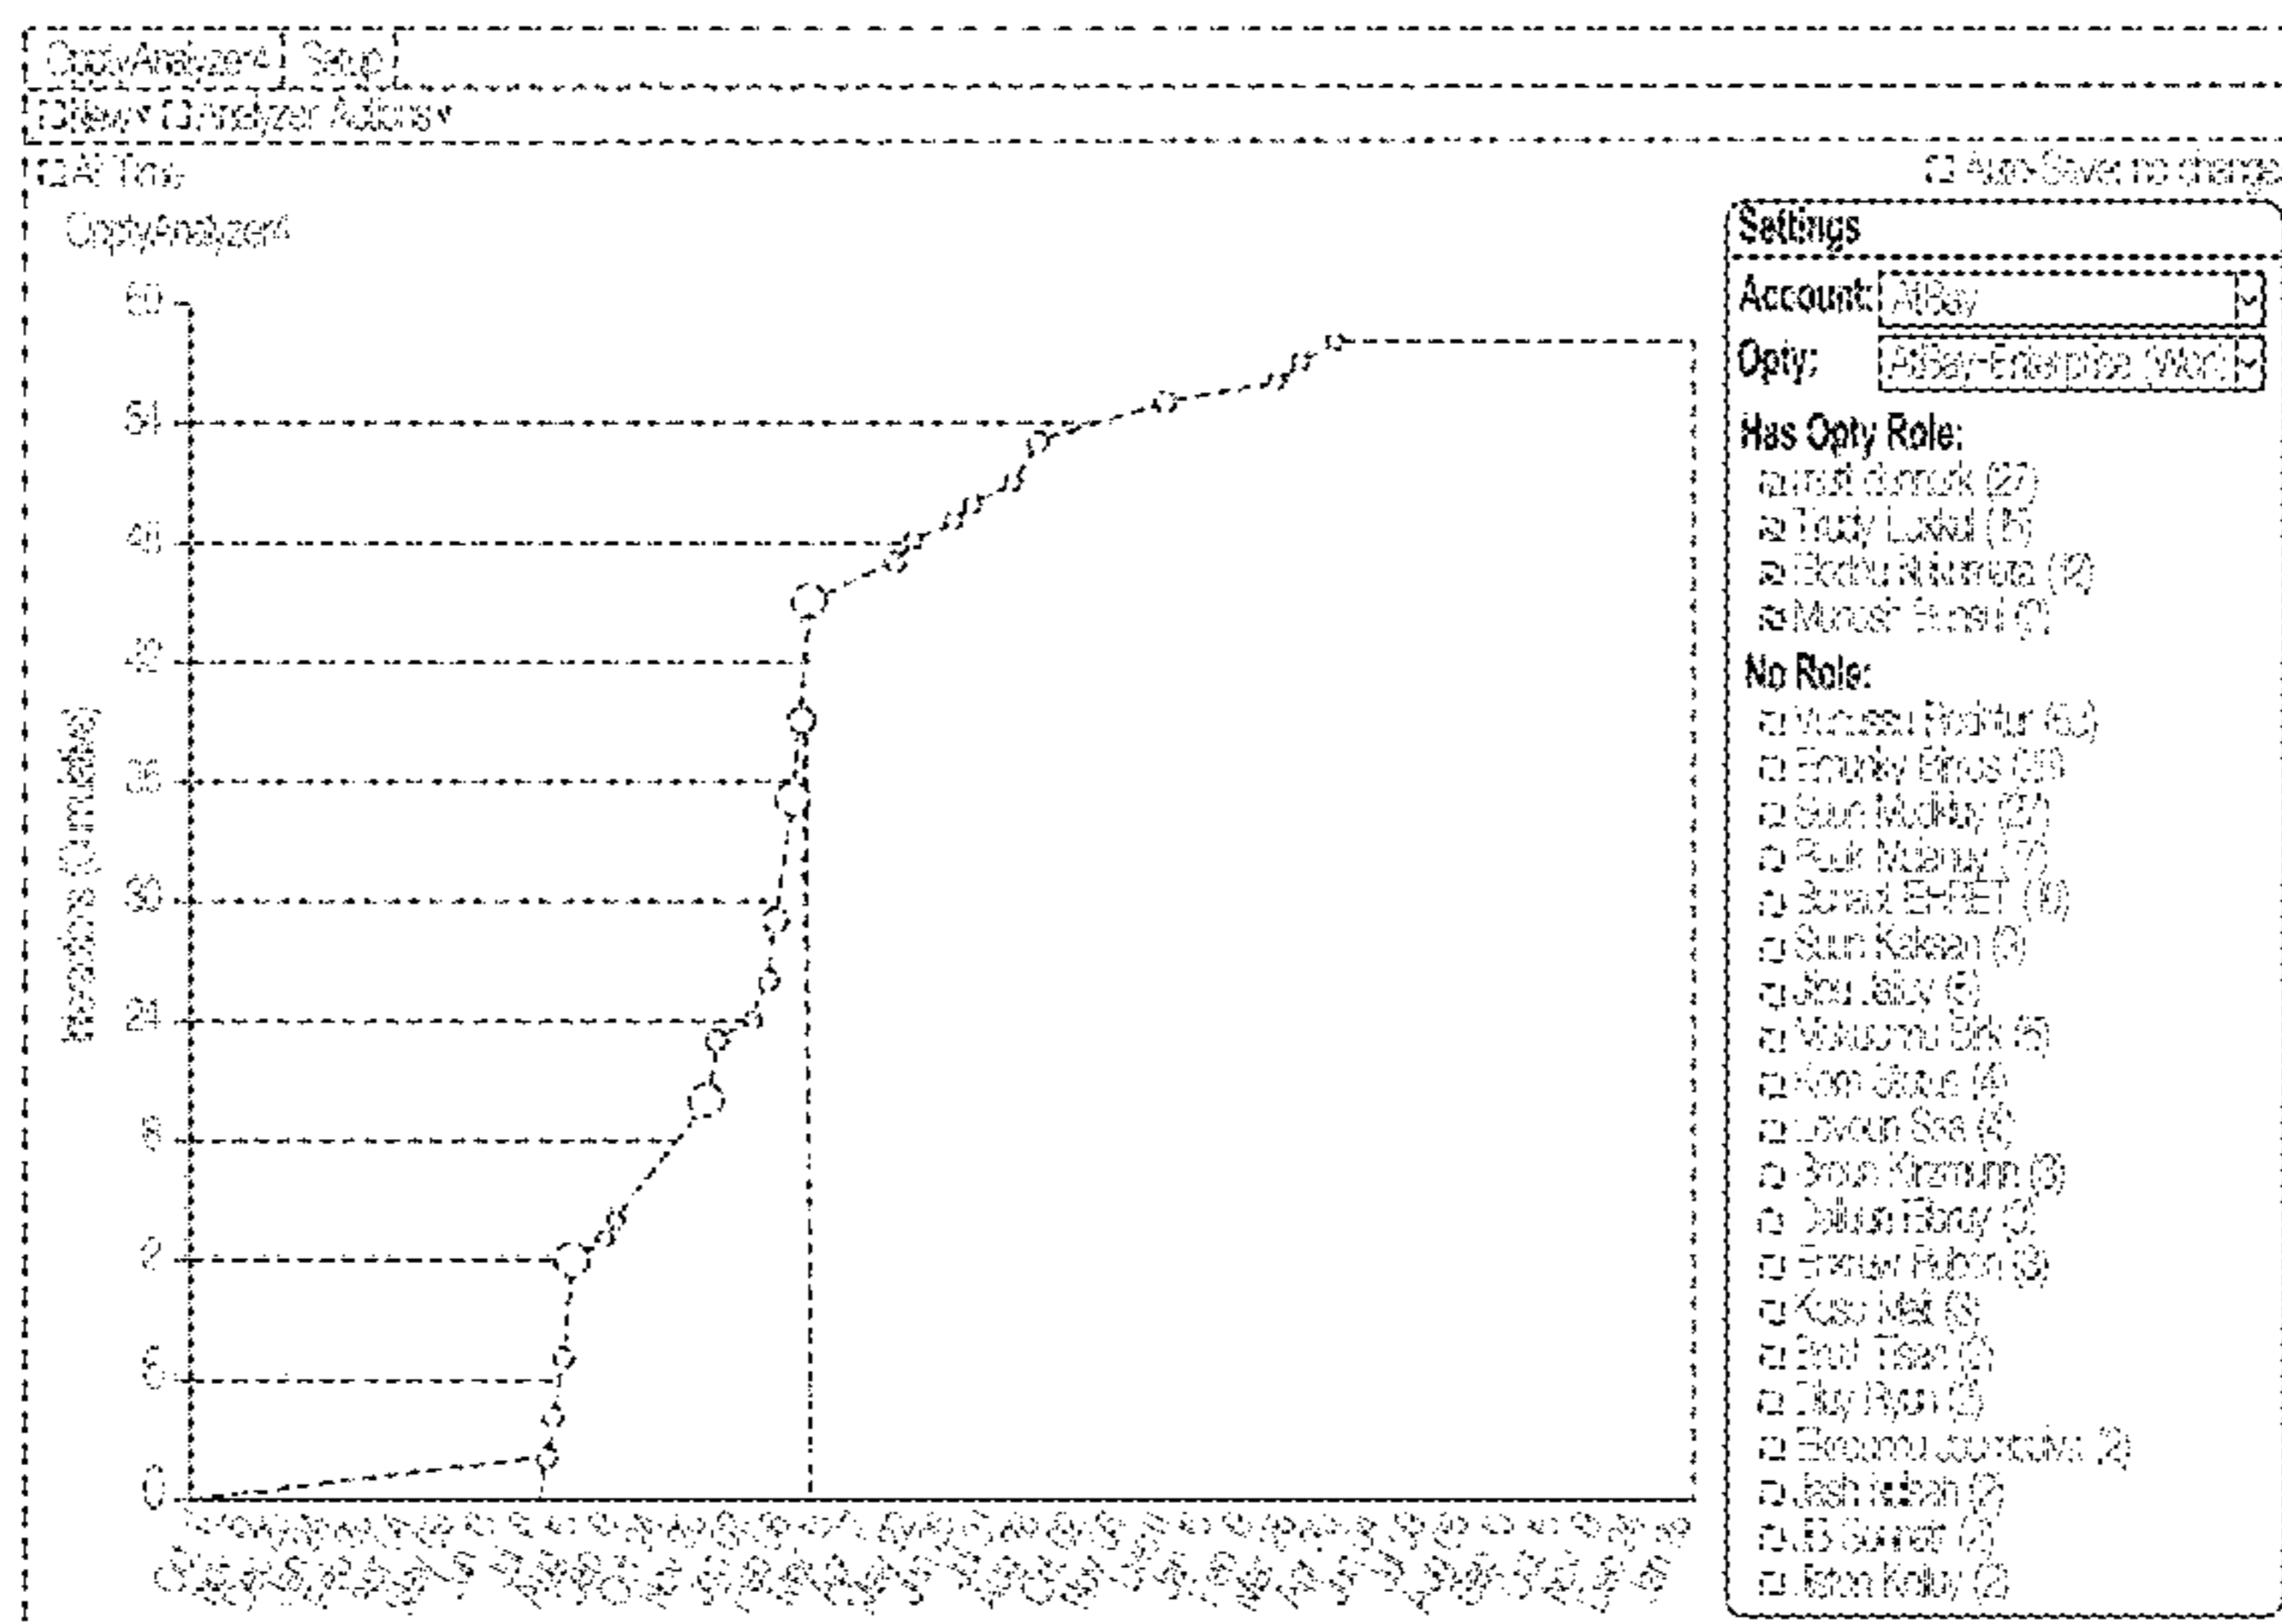

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with graphical user interface, showing our new design.

The broken-lines depicting an outline of a display screen, objects in and around the graphical user interface and broken-line text form no part of the claimed design. Text that is not drawn in broken-line form is claimed as part of the design.
