(57) **CLAIM**

The ornamental design for a display screen or portion thereof with an animated graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a first image in a sequence for a display screen or portion thereof with an animated graphical user interface showing our new design;

FIG. 2 is a second image thereof;

FIG. 3 is a third image thereof;

FIG. 4 is a fourth image thereof; and,

FIG. 5 is a fifth image thereof.

The appearance of the graphical user interface transitions sequentially between the images shown in FIGS. 1-5. The process or period in which one image transitions to another forms no part of the claimed design. The broken lines showing a display screen and the other broken lines showing elements of the graphical user interface illustrate portions of the article and do not form part of the claimed design.

1 Claim, 5 Drawing Sheets
