(57) **CLAIM**

The ornamental design for a display screen or portion thereof with a carousel graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or a portion thereof with a carousel graphical user interface. The peripheral broken line rectangle showing the display screen, or a portion thereof, and all other broken lines showing portions of the carousel graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
