(57) **CLAIM**

The ornamental design for a sprinkler housing removal tool, as shown and described.

**DESCRIPTION**

FIG. 1 is a front top left perspective of a sprinkler housing removal tool of the present invention; FIG. 2 is a top plan view of the sprinkler housing removal tool of FIG. 1; FIG. 3 is a bottom plan view of the sprinkler housing removal tool of FIG. 1; and, FIG. 4 is a first side elevation view of the sprinkler housing removal tool of FIG. 1, the second side being a mirror image thereof. The broken lines in FIG. 3 depict a portion of the sprinkler housing removal tool that is not considered part of the claimed design.
