(57) **CLAIM**

The ornamental design for a media metering device, as
shown and described.

DESCRIPTION

FIG. 1 is a front right perspective view of a media metering
device.

FIG. 2 is a front view of the media metering device of FIG.
1.

FIG. 3 is a rear view of the media metering device of FIG.
1.

FIG. 4 is a right side view of the media metering device of
FIG. 1.

FIG. 5 is a left side view of the media metering device of
FIG. 1.

FIG. 6 is a top view of the media metering device of FIG.
1.

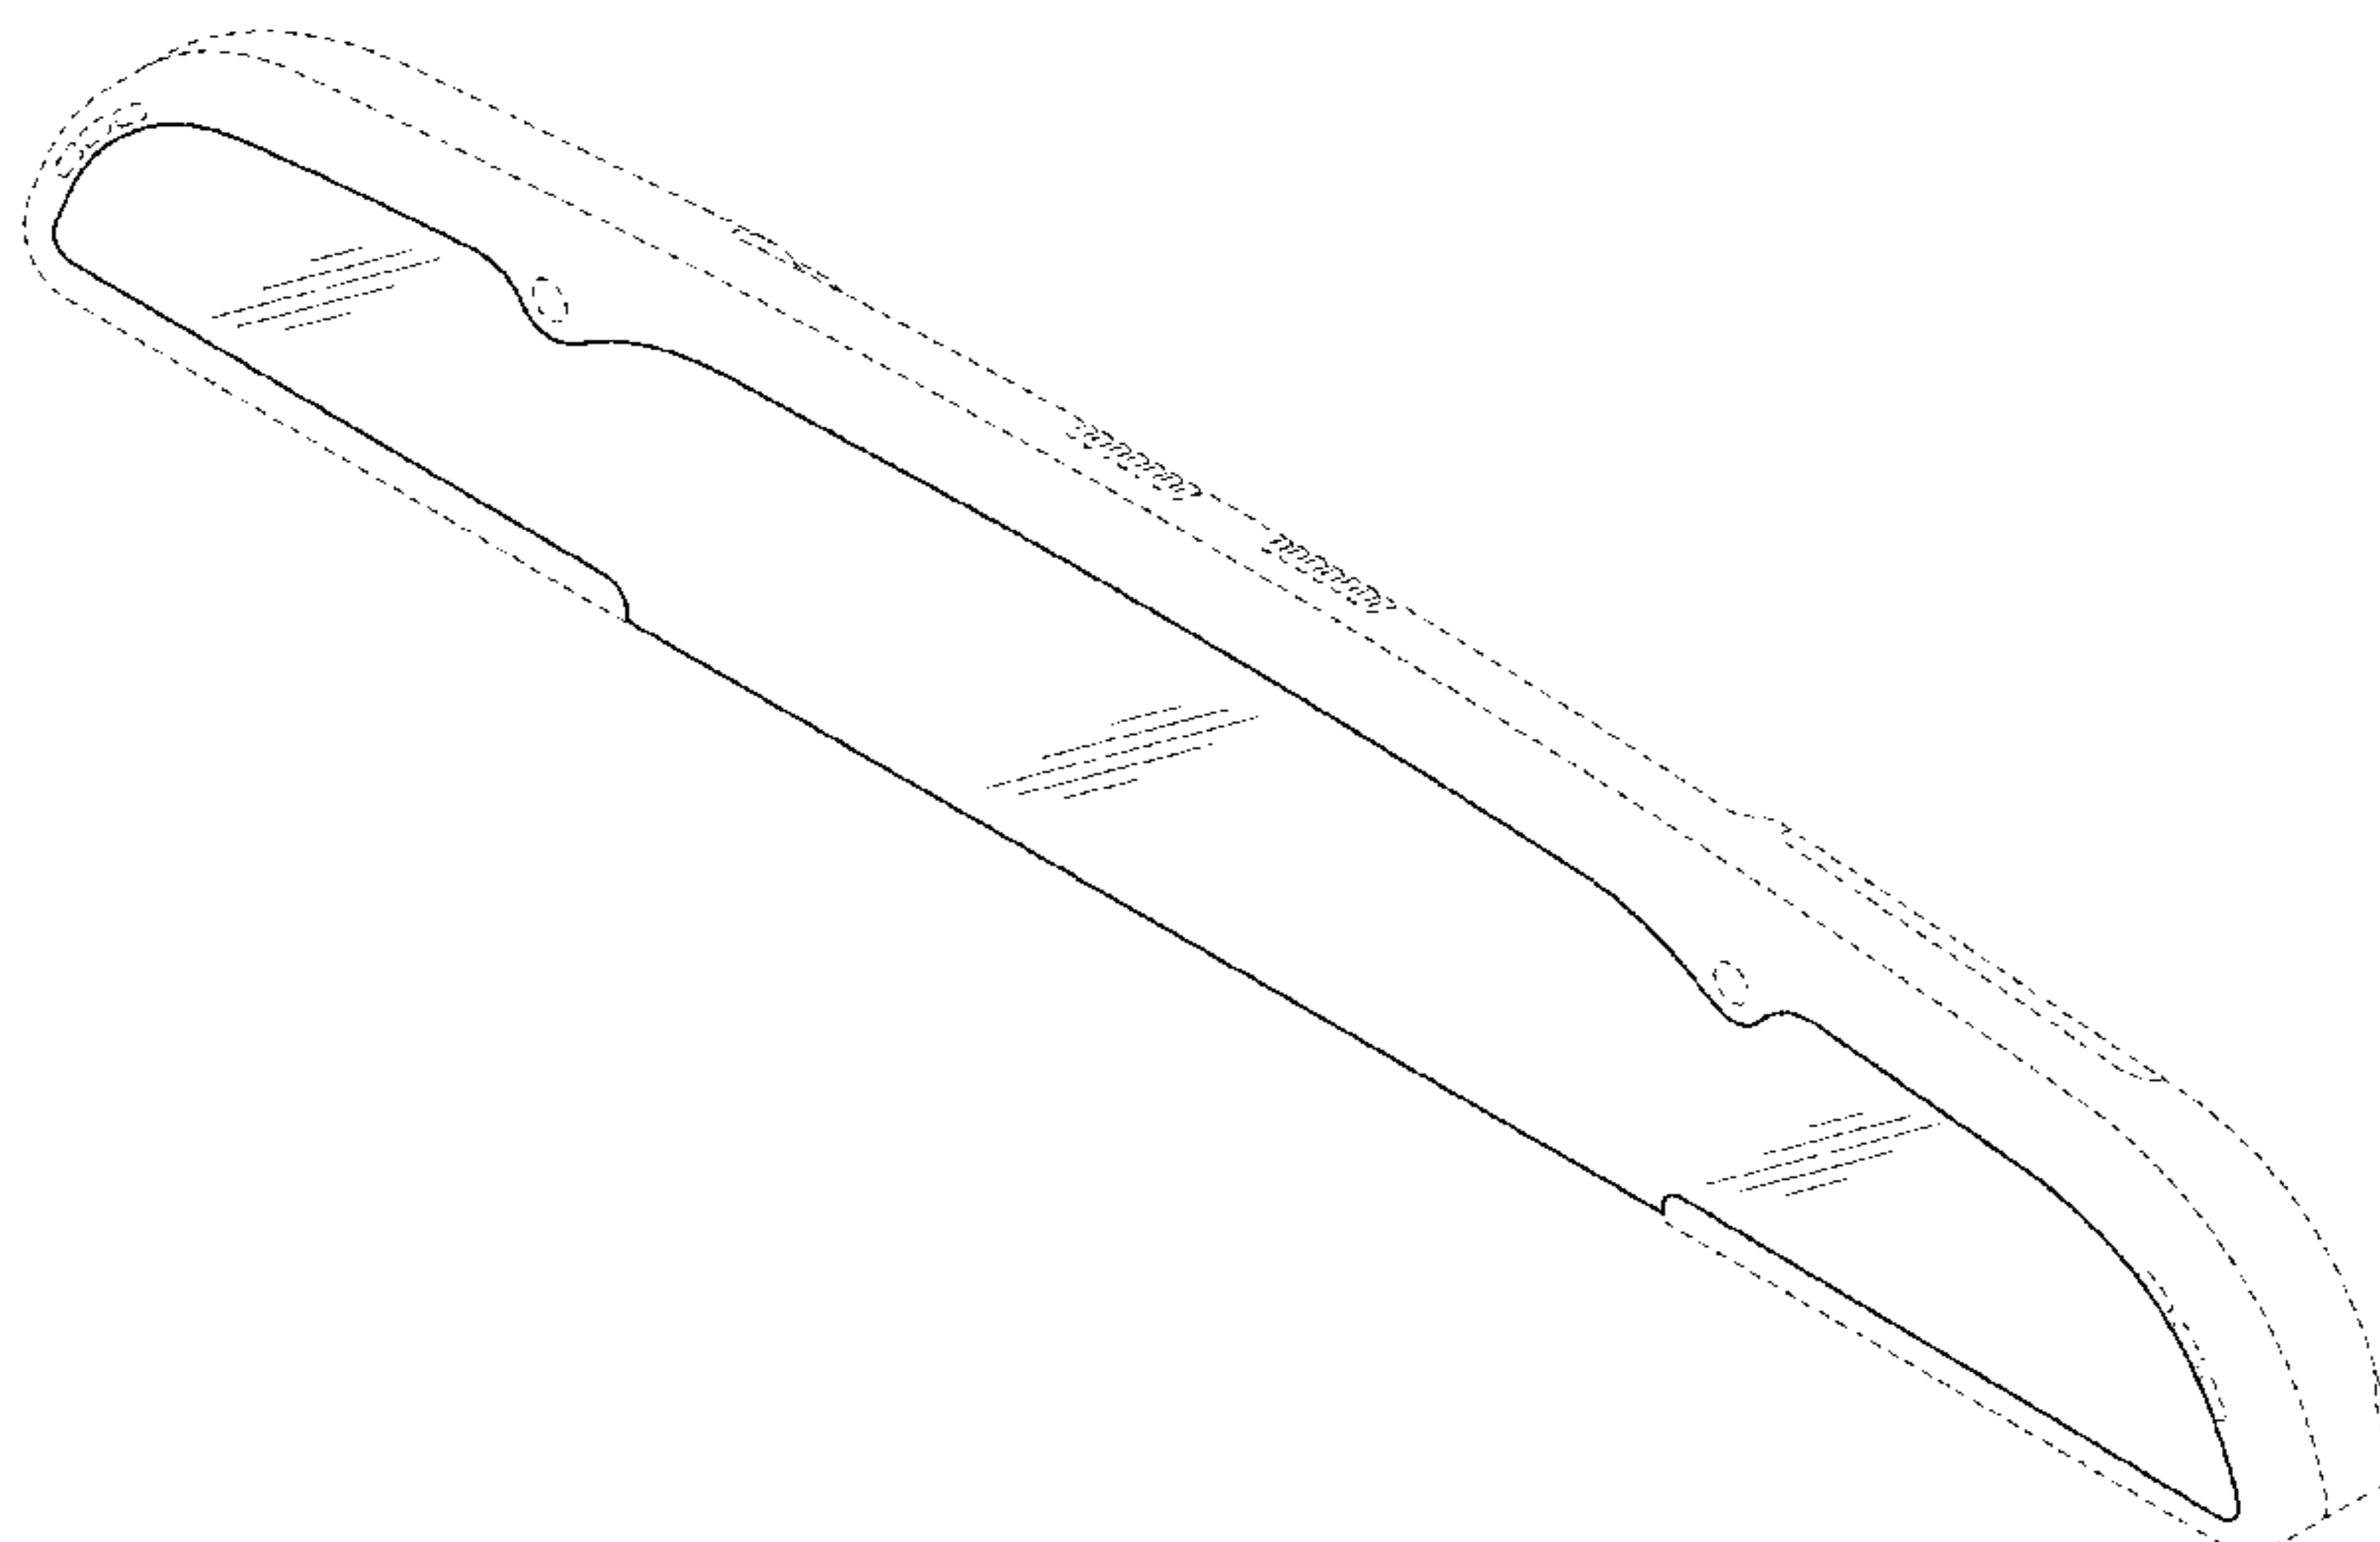

FIG. 7 is a bottom view of the media metering device of FIG.
1.

FIG. 8 is a front right perspective exploded view of the
media metering device of FIG. 1 that illustrates a body of the
media metering device, a stencil of the media metering
device, and a lens of the media metering device.

FIG. 9 is a front right perspective exploded view of the
media metering device of FIG. 1 that illustrates the stencil
of the media metering device coupled to the body of the
media metering device and disposed in a first position; and,
FIG. 10 is a front right perspective exploded view of the
media metering device of FIG. 1 that illustrates the stencil
of the media metering device coupled to the body of the
media metering device and disposed in a second position.

The broken lines show portions of the media metering
device that form no part of the claimed design.

1 Claim, 6 Drawing Sheets
