(57) **CLAIM**

I claim the ornamental design for a golf club head, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a golf club head, as viewed from the bottom, front and one side, according to one embodiment.

FIG. 2 is a front elevation view of the golf club head of FIG. 1.

FIG. 3 is a rear elevation view of the golf club head of FIG. 1.

FIG. 4 is a side elevation view of a toe side of the golf club head of FIG. 1.

FIG. 5 is a side elevation view of an opposite heel side of the golf club head of FIG. 1.

FIG. 6 is a top plan view of the golf club head of FIG. 1; and, FIG. 7 is a bottom plan view of the golf club head of FIG. 1.

The dashed lines in the drawings are for purposes of illustrating environmental structure as well as portions of the design that form no part of the claimed design. Portions of the sole and rear of the head are shown in contrasting stippling to represent a milled surface appearance on the sole which contrasts with an unmilled surface appearance on the rear of the head.
