The above figures illustrate a knitted upper for an article of footwear for a right foot. The corresponding figure for a left footed knitted upper for an article of footwear is a mirror image of the right footed knitted upper for an article of footwear. Accordingly, the figures pertaining to the left footed knitted upper for an article of footwear have been omitted. The broken dashed line illustration of environmental structure in the drawings is not part of the claimed design. The broken dot-dashed line which defines a boundary of the claimed design forms no part thereof.
